

The Peasants Revolt 1381

Philip Lindsay, Reginald Groves

The Peasants Revolt 1381:

The Peasant's Revolt Alastair Dunn, 2004 A stunningly good book on a revolt which came within a few minutes of changing our history utterly totally absorbing

Writing and Rebellion Steven Justice, 1994 Original courageous and exemplary This will prove to be one of the most significant and energizing works of recent decades David Wallace editor of *The Cambridge History of Medieval English Literature* A thoroughly accomplished and groundbreaking piece of historicist medievalism and a local study that resonates in an extraordinarily sensitive and promising way with problems that are worrying and entrancing literary and cultural studies in general Justice's work powerfully addresses issues that have emerged in the controversies over essentialism and performativity in feminist and ethnicity and queer theory over alterity and intimacy in post colonial theory and over subversion and containment in new historicism If *Writing and Rebellion* were to do no more than recharge the practice of medieval scholarship draw attention to the textuality of 1381 and establish the importance of 1381 to Ricardian culture as a whole thereby guiding us to a new reading of that period it would be a wonderful book it does all these things but its implications go even farther I hope it will be read by many people in many fields thinking seriously about the making of social and literary change

Louise O Fradenburg author of *City Marriage*

Tournament Arts of Rule in Late Medieval Scotland

The Peasants' Revolt of 1381 Richard Barrie Dobson, 1970 This lengthy and detailed collection of original documents provides a basic handbook to the story significance and problems of the English Peasants Revolt of 1381 Although one of the most famous and dramatic episodes in English history the great revolt of 1381 is still a largely unsolved mystery Hitherto the original authorities for the history of the rebellion have been allowed to rest in unnecessary obscurity and it seems due time to restore the Peasants Revolt to the comments of its participants and observers These extracts therefore exploit all the available types of evidence for the history of the 1381 Revolt ranging from the trial records of captured rebels to contemporary poems Fortunately the great majority of the primary chronicles for the rebellion as well as a representative selection from surviving governmental and legal archives can be presented within the covers of one book With few exceptions these documents have been especially translated from the original Latin or Norman French texts almost all of which are difficult of access or out of print In several cases translations have been made directly from unpublished records in the Public Record Office London The Peasants Revolt has been examined primarily for its own sake and at the heart of this book lie the various and often contradictory accounts of the outbreak of the rising in Kent and Essex the rebels entry into London and the final great confrontation between the young Richard I and Wat Tyler at Smithfield But considerable attention is paid to the risings in East Anglia and elsewhere in England as well as to the political and social background of the revolt The suppression and aftermath of the rebellion are also illustrated in detail Indirectly this collection of documents therefore provides an insight into the economic status and social aspirations of the late mediaeval English peasantry The work includes detailed chronological tables the most ambitious yet attempted a select guide to sources three

maps and a detailed bibliography The author s introduction discusses the implications of the revolt in general terms and its significance as an early example of a pre industrial popular movement A warning is sounded against any too crude a sociology of rebellion and the book ends with a series of very different and often hilariously misconceived interpretations of the Peasants Revolt from Gower and Froissart Thomas Paine and Robert Southey to Engels and William Morris Publisher

The Peasants' Revolt, 1381 Philip Lindsay,Reginald Groves,1950 *When Adam Delved and Eve Span* Mark O'Brien,2004 Nonfiction British History Mark O'Brien s WHEN ADAM DELVED AND EVE SPAN is a new introductory history of the inspirational English peasant rising of 1381 Against the backdrop of fourteenth century England including the daily struggle of peasants for food and justice and the devastation wrought by the Black Death the book recounts the events of the Peasants Revolt both in London and in the regions The book conveys the breathtaking speed of the revolt and brings rebel leaders such as Wat Tyler and John Ball to life O'Brien combines a well grounded historical setting with an account of the events that deliberately stresses the excitement of the rising **The Peasants' Revolt, 1381** Philip Lindsay,Reginald Groves,1950 *The Peasants' Revolt of 1381* R.B. Dobson,1983-01-27 An excellent selection of sources for the rebellion Bibliographies Handbook One of the most famous and dramatic episodes in English history the great revolt of 1381 is still a largely unsolved mystery The new edition of this lengthy and detailed collection of original documents provides a basic handbook to the story significance and problems of the English Peasants Revolt of 1381 *Sources of British History: English Peasants' Revolt, 1381* , Britannia com LLC presents a description from a chronicle about the final meeting of English King Richard II 1367 1400 and the leader of the Peasant s Revolt Wat Tyler d 1381 in 1381 The Peasants Revolt was a social uprising in England caused by repressive legislation **The Peasant's Revolt, 1381** Philip Lindsay,Reg Groves,Reginald Groves,1941* **1381** Juliet Barker,2014-11-24 Juliet Barker provides an account of the first great popular uprising in England and a fascinating study of medieval life in English towns and countryside She tells how and why an unlikely group of ordinary men and women from every corner of England united in armed rebellion against church and state to demand a radical political agenda
