The Penitentes Of The Sangre De Cristos An American Tragedy:

The Penitentes of the Sangre de Cristos Bill Tate,1968 **The Penitentes of the Sangre de Cristos** Bill Tate,2016-10-31 A short history of a secret and sacred Spanish American Catholic brotherhood who have pledge themselves to Christian devotions The Penitentes of the Sangre de Cristos Bill Tate,1966 The Pastor of New Mexico ,2015-05-10 There are few foreign original voices talking about early twentieth century Northern New Mexico Father Peter Kppers who immigrated from Germany to New Mexico is one of those few voices Father Kppers was born in 1885 came to New Mexico in 1911 and aside from a few short trips to Colorado and the mid West remained in New Mexico all his life Rather limited in his knowledge of American culture when he arrived on this continent after all he once got mad that folks in New York did not speak German Kppers grew to love New Mexico Always biased and fierce in his protection of Northern New Mexicans particularly his often poor Catholic parishioners he became a cultural agent for Hispanics and Anglos and a chronicler of rural small town life In his sometimes jolly account from the early 20th century Kppers discusses growing up in Germany describes personal experiences in the United States and particularly in New Mexico where he had to adapt to rural life interact with town folks parishioners and Penitentes and his adjustment to cultural surroundings so very different from his homeland in Germany **I Was and I Am Dust** David M. Mellott,2009-10-01 There are a variety of people practices and celebrations in the Catholic Church At times some of these can be dismissed too easily as extreme superstitious or uninformed Such is the case with the Penitentes of New Mexico In *I Was and I Am Dust* David M Mellott shares his experiences of the Penitentes as an outsider He explains their struggles with the institutional church and some of the seemingly extreme rituals they facilitate during Holy Week Through the voice of Larry Torres one of the senior members of the Penitentes Mellott poignantly provides readers with a more intimate picture of this community of practitioners Yet so much more than an analysis written by an outsider this work attempts to understand the experience of those within a group whose practices are considered outside the mainstream With Mellott and Torres readers may be surprised to discover a depth of meaning in these practices and to realize the beauty of being dust David M Mellott is assistant professor of practical theology and director of ministerial formation at Lancaster Theological Seminary where he teaches courses in philosophy ethnography and theology of ministry He is committed to supporting and nurturing Christian communities that empower people to live more authentically as they seek to love God neighbor and self more deeply *Los Hermanos Penitentes* Mary Martha Weigle,1984 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1970 *Land of Contrast* Frederic J. Athearn,1985 **Los Hermanos Penitentes** Lorayne Ann Horka-Follick,1969 *Chicano History* Joseph Robert Juárez,1977
