The Peoples War:

The Peoples' War? Alexander Wilson, Richard Hammond, Jonathan Fennell, 2022-11-15 Some 60 million people died during the Second World War millions more were displaced in Europe Africa and Asia The war resulted in the creation of new states the acceleration of imperial decline and a shift in the distribution of global power Despite its unprecedented impact a comprehensive account of the complex international experiences of this war remains elusive The Peoples War offers fresh approaches to the challenge of writing a new history of the Second World War Exploring aspects of the war that have been marginalized in military and political studies the volume foregrounds less familiar narratives subjects and places Chapters recover the wartime experiences of individuals including women children members of minority ethnic groups and colonial subjects whose stories do not fit easily into conventional national war narratives The contributors show how terms used to delineate the conflict such as home front and battle front occupier and occupied captor and prisoner and friend and foe became increasingly blurred as the war wore on Above all the volume encourages reflection on whether this conflict really was a Peoples War Challenging the homogenizing narratives of the war as a nationally unifying experience The Peoples War seeks to enrich our understanding of the Second World War as a global event *The People's War* Robert W.

Thurston, Bernd Bonwetsch, 2000 The People s War lifts the Stalinist veil of secrecy to probe an almost untold side of World War II the experiences of the Soviet people themselves Going beyond dry and faceless military accounts of the eastern front of the Great Patriotic War and the Soviet state s one dimensional heroic People this volume explores how ordinary citizens responded to the war Stalinist leadership and Nazi invasion Drawing on a wealth of archival and recently published material contributors detail the calculated destruction of a Jewish town by the Germans and present a chilling picture of life in occupied Minsk They look at the cultural developments of the war as well as the wartime experience of intellectuals for whom the period was a time of relative freedom They discuss women s myriad roles in combat and other spheres of activity They also reassess the behavior and morale of ordinary Red Army troops and offer new conclusions about early crushing defeats at the hands of the Germans defeats that were officially explained as cowardice on the part of high officers A frank investigation of civilian life behind the front lines The People s War provides a detailed balanced picture of the Stalinist USSR by describing not only the command structure and repressive power of the state but also how people reacted to them cooperated with or opposed them and adapted or ignored central policy in their own ways By putting the Soviet people back in their war this volume helps restore the range and complexity of human experience to one of history s most savage periods

The People's War Book James Martin Miller, H. S. Canfield, 1922 **The British Army and the People's War, 1939-1945** Jeremy A. Crang, 2000-11-18 During the Second World War the British army absorbed approximately three million new recruits the majority of whom were conscripts Drawn from all occupational groups and social classes the military authorities were confronted with the task of molding these civilians in uniform into an effective fighting force This book

analyzes the impact of this process of integration on the army as a social institution Exploring such aspects of the army's social organization as other rank selection officer selection officer promotion officer man relations the soldier's working life army welfare and army education it assesses the ways in which the army changed in relation to its new intake what the extent of any change that took place actually was and how different the army of 1945 was to that of 1939 **The People's**

War Book : History, Cyclopaedia and Chronology of the Great World War James Martin Miller, W. R. (William Rothwell) Plewman, Canfield, H. S. (Harry S.), 1885?-1954, 1919 Long Live the Victory of the People's War Biao Lin, 1965

Peoples War A. William Purdue, 2006-04-01 *People's War* Anthea Jeffery, 2014-06-09 Twenty years have passed since South Africans were being shot or hacked or burned to death in political conflict and the memory of the trauma has faded Some 20 500 people were nevertheless killed between 1984 and 1994 The conventional wisdom is that they died at the hands of a state backed Third Force but the more accurate explanation is that they died as a result of the people's war the ANC unleashed As the people's war accelerated from September 1984 intimidation and political killings rapidly accelerated At the same time a remarkably effective propaganda campaign put the blame for violence on the National Party government and its alleged Inkatha surrogate Sympathy for the ANC soared while its rivals suffered crippling losses in credibility and support By 1993 the ANC was able to dominate the negotiating process as well as to control the undefeated South African police and army and bend them to its will By mid 1994 it had trounced its rivals and taken over government *People's War* shows the extraordinary success of this war in giving the ANC a virtual monopoly on power It also shows in part at least the great cost at which this was achieved Apart from the killings the terror and the destruction that marked the period from 1984 to 1994 the people's war set in motion forces that cannot easily be reversed For violence cannot be turned off like a tap as the ANC suggested and neither can anarchy easily be converted into order Anthea Jeffery holds law degrees from the University of the Witwatersrand and from Cambridge and a doctorate in human rights law from the University of London Her previous books include *The Natal Story* Sixteen years of conflict and *The Truth about the Truth Commission* Both books have been acclaimed for their meticulous and objective approach and for breaking new ground on important and contentious issues People's War J. L. S. Girling, 2013-11-05 First published in 1969 The consequences in this book refer to Peking's policy on people's war and to US counter measures and the effect of these in South East Asia The author argues that on the whole China under Communism was a better place for the majority of people than it was under the Kuomintang Contents include *Revolution and Intervention in South East Asia* *Communist Revolts 1948* *Sino Soviet Dispute* *US reaction the Vietnam Commitment* *China Conditions for Success* *The Struggle for Vietnam* *August Insurrection* *China in Maphilindo* *Lessons from Malaya and the Philippines* *Peace and the Tet Offensive* *Military Art of People's War* Vo Nguyen Giap, 2019-02-15 This collection includes the major writings of General Giap who on the evidence of his record as well as his theoretical work has long been recognized as one of the military geniuses of modern times The book includes writings from the 1940s to the end of the

1960s

Unveiling the Power of Verbal Artistry: An Emotional Sojourn through **The Peoples War**

In a global inundated with screens and the cacophony of instant communication, the profound energy and mental resonance of verbal beauty frequently diminish into obscurity, eclipsed by the continuous assault of noise and distractions. Yet, located within the musical pages of **The Peoples War**, a captivating work of fictional beauty that pulses with organic feelings, lies an unique trip waiting to be embarked upon. Published by a virtuoso wordsmith, that mesmerizing opus manuals readers on an emotional odyssey, softly exposing the latent potential and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse with this evocative analysis, we will embark upon an introspective exploration of the book is main subjects, dissect its captivating writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
