The Christmas Toy Machine:

The Christmas Toy Machine Janet Winter, 1996 **Machines of Youth** Gary S. Cross, 2018-05-04 For American teenagers getting a driver's license has long been a watershed moment separating teens from their childish pasts as they accelerate toward the sweet sweet freedom of their futures With driver's license in hand teens are on the road to buying and driving and maybe even crashing their first car a machine which is home to many a teenage ritual being picked up for a first date parking at a scenic overlook or blasting the radio with a gaggle of friends in tow So important is this car ride into adulthood that automobile culture has become a stand in a shortcut to what millions of Americans remember about their coming of age *Machines of Youth* traces the rise and more recently the fall of car culture among American teens In this book Gary S Cross details how an automobile obsession drove teen peer culture from the 1920s to the 1980s seducing budding adults with privacy freedom mobility and spontaneity Cross shows how the automobile redefined relationships between parents and teenage children becoming a rite of passage producing new courtship rituals and fueling the growth of numerous car subcultures Yet for teenagers today the lure of the automobile as a transition to adulthood is in decline Tinkerers are now sidelined by the advent of digital engine technology and premolded body construction while the attention of teenagers has been captured by iPhones video games and other digital technology And adults have become less tolerant of teens on the road restricting both cruising and access to drivers licenses Cars are certainly not going out of style Cross acknowledges but how upcoming generations use them may be changing He finds that while vibrant enthusiasm for them lives on cars may no longer be at the center of how American youth define themselves But for generations of Americans the modern teen experience was inextricably linked to this particularly American icon United States Economist, and Dry Goods Reporter ,1916 **Christmas's Most Wanted**™ Kevin Cuddihy, Phillip Metcalfe, 2005-10-31 It's the rare bird that doesn't like Christmas Sure there are Scrooges and here and there cries of Bah humbug but Christmas is a time for celebrating for giving and for trying to be just a little nicer to your fellow man As the song goes If every day could be just like Christmas what a wonderful world it would be Christmas's Most Wanted is a celebration of the fun side of Christmas the songs the movies the television shows the history the people the laughs even the commercialism all that and more So you'll see such top ten lists as different versions of both The Twelve Days of Christmas and A Christmas Carol You'll read about traditions and the standard gift givers around the world You'll find out about how different song genres celebrate Christmas in music You'll relive the great and not so great cartoons of Christmas past You'll discover which television celebrities graced the world with their very own album of holiday tunes And you'll learn about births deaths and historical events that occurred on Christmas Day With more than forty top ten lists on all things merry you'll laugh you'll smile and you'll learn a lot of interesting stuff about Christmas that you didn't know before So curl up before the Yule log pour yourself some eggnog bite into a gingerbread cookie and enjoy the book Merry Christmas Buon Natale Feliz Navidad and Erry may Istmas chray
