The Columbia:

The Columbia Stewart H. Holbrook, 2016-06-15 The Columbia commemorates the disciplining and conversion of a wilderness river from a water passageway to a powerhouse and a source of irrigation Here is the story of its explorers who came by boat and by foot the bickering and battles between Hudson s Bay Company and Astor s fur trappers the settlers that turned politicians to keep the Oregon Territory in the U S and to make two states out of it the coming of steamboats the potent force of the railways and later the highways The Columbia follows the story of the canals locks and dams which flooded old landmarks to give new pioneers farm lands and electricity and the story of the settlement of the Pacific Northwest

The Oxford Companion to Wine Julia Harding MW, Jancis Robinson OBE MW, Tara Q. Thomas, 2023-08-15 Everything you could possibly want to know about wine in one fully up to date A Z volume The Oxford Companion to Wine is a uniquely comprehensive and in depth A Z reference book on every aspect of wine more than 4 000 entries covering topics from history through geography geology soil science viticulture winemaking packaging academia technology and regulations to people and places tasting writing and the language of wine The system of cross references takes the reader from one entry to another showing how all these topics are interconnected in the fascinating story of wine in its most traditional and modern forms This new fifth edition which benefits from the knowledge and experience of over one hundred new contributors all experts in their field or geographical region is expanded by 272 new entries and every existing entry has been reviewed updated and polished The text is more international than ever written for wine lovers of every persuasion including those who love wine but want to know more in order to increase their enjoyment of this endlessly fascinating liquid and those who are intent on studying wine professionally or privately This is a huge treasure trove of knowledge for the first time breaking the barrier of one million words but the alphabetical format and the links between the entries make it easily navigable and the language while not shying away from complex science is intended to open the door to every curious reader looking for answers on every question they have ever wanted to ask about wine **U.S. Geological Survey Professional Paper** , 1994
