The Coming Of The Strangers Life In Australia 1788 1822:

Sydney's Aboriginal Past Val Attenbrow, 2010 This second edition of Sydney's Aboriginal Past draws on the latest historical archaeological geological environmental and linguistic research as well as oral evidence of present day Aboriginal people to reveal the diversity of Aboriginal life in the Sydney region before during and for the first thirty years of British settlement

Scientific Travellers, 1790-1877 David M. Knight, 2004 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company

Waterfront Duncan McNab, 2015-07-28 The colourful and exciting story of the larger than life characters who have populated Australia's docks wharves and ports from the First Fleet to today and the crime violence and corruption that has always been present Ever since the First Fleet dropped anchor Australia's ports have been our opening to the world They are also the breeding ground for many of Australia's most notorious criminals and a magnet for local and overseas criminal syndicates WATERFRONT is the story of the crimes the politics the characters and the corruption in our nation's ports From the time of Phillip and Bligh to today from the gold rushes to modern day drug smuggling a criminal element has always found ways to profit from the rise and dominance of waterfront unions After a century of Royal Commissions reports denials and crackdowns crime and wrongdoing in Australia's ports remains organised entrenched and incredibly profitable Investigative journalist and former police detective Duncan McNab lifts the lid on the intriguing and chequered history of Australia's waterfront

The Water Dreamers Michael Cathcart, 2010-08-02 The long awaited history that will change the way Australians think about their country The Water Dreamers is the story of the settlement of Australia of the scarcity of water and the need to fill an imagined silence with the sounds of civilisation From the moment the First Fleeters stepped ashore water determined progress The Tank Stream that flowed through what is now the Sydney CBD provided fresh water until settlers and their livestock fouled it Then water from a nearby swamp was piped into the growing settlement When it ran dry sights were set further afield The Water Dreamers is an illuminating account of the ways people have imagined and interpreted Australia while struggling to understand this continent and striving to conquer its obstacles It's an environmental history and a cultural history with an unmistakable sense of how today we are part of that continuing story

Journal of a Voyage to New South Wales John White, 2024-08-01 There have always been more or less scientific travellers but a new epoch began with the voyages of Captain James Cook His first on board the converted Whitby Collier HMS Endeavour was the result of cooperation between the Admiralty and the Royal Society This series only skims the surface of the rich collections of scientific travel books in the library of the Natural History Museum From this volume we learn much about the voyage of the first fleet the first desperate years of the colony in Sydney and the exploration of its neighbourhood

Ochre and Rust Philip Jones, 2019-02-01 Ochre and Rust offers a fresh perspective on frontier relations between Australian Aboriginal people and European colonists Nine museum artefacts take the reader into a fascinating zone of encounter and mutual curiosity between collectors and those indigenous people who piqued or responded

to their interest While colonialism is the broad frame details gleaned from archives images and the objects themselves reveal a new picture of interaction between individual Aboriginal people and European collectors Philip Jones explores and makes sense of particular historical moments in colonial history when Aboriginal people perceived and expected other more elusive outcomes Ochre and Rust an elegantly written challenge to received wisdom about the colonial frontier has won Australia's inaugural Prime Minister's Award for Literary Non Fiction The Coming of the Strangers ,1988 **Public**

Understanding of Science David Knight,2006-10-16 Answering questions such as whether the interesting parts of science be conveyed in sermons poems pictures and journalism Knight explores the history of science to show how the successes and failures of our ancestors can help us understand the position science comes to occupy now *Records of the Australian Museum* ,1993 **Across Great Divides** Susan E Boyer,2013-11-30 Across Great Divides true stories of life at Sydney Cove will appeal to all readers young old and in between who love to be immersed in a good read while learning new things The stories will no doubt make you wonder what would I have done Across Great Divides true stories of life at Sydney Cove brings to life the diverse experiences of people living in the precarious circumstance of Australia's first penal colony The stories are relayed through a non fiction narrative which shows how convict men saw and seized the possibilities of their new position It portrays the situation of convict women and their relationships with military men The stories demonstrate the varied responses of participants to their unique situation some succeeded beyond their imagination some failed disastrously The stories also give voice to the dilemma of the Aboriginal people challenged by the unexpected arrival of a completely alien race of white people to their land Bennelong and his difficult to ignore wife Barangaroo dealt with their new circumstances in a way they felt would best benefit themselves and their people On the other hand the young warrior Pemulwuy had his own ideas about how the white invaders should be confronted Boorong and Nanberry two native children taken separately into the homes of white settlers in the aftermath of a devastating epidemic went on to have fickle yet enduring relationships with their white guardians The stories in Across Great Divides true stories of life at Sydney Cove give the different perspectives of military men who had volunteered for a tour of duty in the remote colony Marine officers Watkin Tench William Dawes George Johnston Philip Gidley King and Captain John Hunter left valuable links to past times through their diaries letters and journals Arthur Phillip the colony's first governor also wrote letters which give us insight into the dilemmas plaguing his mind
