The Archive of Art and Design at the Victoria Albert Museum contains Britain's foremost collection of primary source material relating to art and design particularly of the twentieth century. Established in 1978 the Archive holds over 200 archives created by individual artists, craftspeople and designers and businesses and societies involved in the manufacture and promotion of art and design products. The Guide describes each archive in detail offering information about its creator, its contents and related sources held both inside and outside the V&A Museum. Canadian Reference Sources Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject and English subject. And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non-print formats, previous editions and title changes and related works. Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers. ... **Secondary Syllabus in Art Education** University of the State of New York, 1928 *The Printing Art*
