The Half Seen Face:

The Psychology of Eyewitness Identification James Michael Lampinen, Jeffrey S. Neuschatz, 2012-04-27 This volume provides a tutorial review and evaluation of scientific research on the accuracy and reliability of eyewitness identification The book starts with the perspective that there are a variety of conceptual and empirical problems with eyewitness identification as a form of forensic evidence just as there are a variety of problems with other forms of forensic evidence There is then an examination of the important results in the study of eyewitness memory and the implications of this research for psychological theory and for social and legal policy The volume takes the perspective that research on eyewitness identification can be seen as the paradigmatic example of how psychological science can be successfully applied to real world problems

The Neon Jungle John D. MacDonald, 2014-01-14 No writer captured the urban blight that befell postwar America in all its grime and commotion as well as noir legend John D MacDonald The Neon Jungle depicts a world in which the bright lights belie the turbulent lives of a lost generation Introduction by Dean Koontz The smell of warm gin hovers over a whole section of town The threat of violence hangs in the air And the neighborhood kids know all about drugs knives and back alley beatings long before they re pushed into high school by weary truant officers This is simply reality for the family that runs Varaki Quality Market Its patriarch Gus Varaki is doing all he can to keep his business afloat after his beloved middle child Henry is killed in action But his oldest son is at a crossroads his teenage daughter has been seduced by a rough crowd and one of his employees is running a racket of his own Only Henry s despondent widow Bonny sees the awful truth and the deadly plot hanging over all of their heads Praise for John D MacDonald John D MacDonald was the great entertainer of our age and a mesmerizing storyteller Stephen King My favorite novelist of all time No price could be placed on the enormous pleasure that his books have given me Dean Koontz John D MacDonald is a shining example for all of us in the field Talk about the best Mary Higgins Clark
