Dragon in the West is the first serious and substantial account in any language of the evolution of the modern dragon from its ancient forebears Daniel Ogden s detailed exploration begins with the drak n of Greek myth and the draco of the dragon loving Romans and a look at the ancient world s female dragons It brings the story forwards though Christian writings medieval illustrated manuscripts and the lives of dragon duelling saints before concluding with a study of dragons found in the medieval Germanic world including those of the Anglo Saxon Beowulf and the Norse sagas *The Dead Girls of Hysteria Hall* Katie Alender,2015-08-25 IN THIS ASYLUM YOUR MIND PLAYS TRICK ON YOU ALL THE TIME Delia s new house isn t just a house Long ago it was the Piven Institute for the Care and Correction of Troubled Females an insane asylum nicknamed Hysteria Hall However many of the inmates were not insane just defiant and strong willed Kind of like Delia herself But the house still wants to keep troubled girls locked away So in the most horrifying way Delia becomes trapped And that s when she learns that the house is also haunted Ghost girls wander the hallways in their old fashioned nightgowns A handsome ghost boy named Theo roams the grounds Delia learns that all the spirits are unsettled and full of dark secrets The house too harbors shocking truths within its walls truths that only Delia can uncover and that may set her free And she ll need to act quickly before the house s power overtakes everything she loves Katie Alender brings heart pounding suspense gorgeous writing and a feminist twist to this tale of memories and madness **AlHazred and the Necronomicon** SAMI BEH , The frightening thing that a lot of what are you going to read may be facts He was a slave of Satan but he went in war against him He the worst of human beings AlHazred His name was Abdullah Zahr El Din so it changed over the years until it became Abdul AlHazred We knew him as a poet from Yemen he disbelieved in God and sought after the world But what is new here is that he has become a slave of Satan And because of his great greed and his desires that nothing can satisfy he turned against Satan himself Rather he entered into a fierce war with him using the first beings and the black magic to harness demons and several creatures You ll find the Den Hen and Jinn You will find facts about Satan About the mysteries of the dead Iram and Aad About demons each of them has a mission What s frightening is that many of what you will read are historical scientific or religious facts This may not be the best novel you will read on these matters but I hope that it s one of the most accurate and careful of them Now if you dare prepare to meet one of the worst people mankind has ever had Abdullah Zahr El Din You might know him as AlHazarded Down into Darkness David Lawrence,2007-11-13 The naked body of a young woman is found hanging from a tree on a London roadside Scrawled across her back are the words DIRTY GIRL Detective Stella Mooney is faced with a murder as baffling as it is chilling With no means to identify the victim and no apparent motive the case is blocked until a man is found on a bench by the river his throat cut back to the vertebrae And as before the killer has left a trademark comment FILTHY COWARD Stella and her team can see there s a connection but what One victim is a young girl maybe one of the hookers who work the Strip the other a researcher for a prominent and controversial member of Parliament More evidence is needed And soon enough it comes another death another message
