The Harbormaster of Hong Kong David Bromige,1993 *The Blockade of the Port and Harbour of Hongkong, by the Hopps, Or Farmer in Canton of Customs Duties Levied Upon Chinese Vessels. Proceedings at a Public Meeting Held at the City Hall, Hongkong, on the 14th September, 1874 ,1875* **The Ordinances of the Legislative Council of the Colony of Hongkong Commencing with the Year 1844 ...: 1865-1873** Hong Kong,1890 The Ordinances of the Legislative Council of the Colony of Hongkong Commencing with the Year 1844 ...: 1874-1884 Hong Kong,1891 **Port Directory of the Principal Foreign Ports** United States. Office of Naval Intelligence,1924 **Asiatic Pilot: Coast of China, Yalu River to Hongkong with Formosa** United States. Hydrographic Office,1910 *Asiatic Pilot: The shores of the China Sea from Singapore Strait to and including Hongkong* United States. Hydrographic Office,1915 Papers Relating to the Foreign Relations of the United States United States. Department of State,1875 **Pacific America** Lon Kurashige,2017-07-31 In recent times the Asia Pacific region has far surpassed Europe in terms of reciprocal trade with the United States and since the 1980s immigrants from Asia entering the United States have exceeded their counterparts from Europe reversing a longstanding historical trend and making Asian Americans the country s fastest growing racial group What does transpacific history look like if the arc of the story is extended to the present The essays in this volume offer answers to this question challenging current assumptions about transpacific relations Many of these assumptions are expressed through fear that the ascendance of China threatens a U S led world system and undermines domestic economies that immigrants subvert national unity and that globalization for all its transcending of international cultural and racial differences generates its own forms of prejudice and social divisions that reproduce global and national inequalities The contributors make clear that these fears associated with and induced by pacific integration are not new Rather they are the most recent manifestation of international racial and cultural conflicts that have driven transpacific relations in its premodern and especially modern iterations Pacific America differs from other books that are beginning to flesh out the transnational history of the Pacific Ocean in that it is more self consciously a people s history While diplomatic and economic relations are addressed the chapters are particularly concerned with histories from the bottom up including attention to social relations and processes individual and group agency racial and cultural perception and collective memory These perspectives are embodied in the four sections focusing on China and the early modern world circuits of migration and trade racism and imperialism and the significance of Pacific islands The last section on Pacific Islanders avoids a common failing in popular perception that focuses on both sides of the Pacific Ocean while overlooking the many islands in between The chapters in this section take on one of the key challenges for transpacific history in connecting the migration and imperial histories of the United States Japan China Korea Vietnam and other nations with the history of Oceania Maritime Business and Economics Okan Duru,2018-12-07 Asian shipping entrepreneurship relies on strong ties between private

entities and public institutions i.e governments This book examines the growth and sustainability of the Asian maritime world through the lens of the Asian cultural code its social and institutional economics as well as its unique way of public governance The book addresses the economics of maritime industry in a broader stroke to include ship owning shipbuilding port operation and its links and collaborations to other industries from a refreshing perspective The book also examines major maritime nations of Asia in three dimensions history strategy also policy and the current state of the maritime industry The relationship between Asian shipping giants and public institutions is also explored along with the recent developments and challenges of the regional maritime industry in the era of a marine tech boom upsizing tonnage and environmental debates Its comprehensive overview of and unique approach to the subject makes the book a valuable reference to anyone interested in the topic
