The Hawaiian Revolution 1893-94

Ralph S. Kuykendall

The Hawaiian Revolution 1893-94:

The Hawaiian Revolution (1893-94) William Adam Russ, 1992 **The Hawaiian Revolution (1893-94)** William A. Russ, 1984-05 **The Hawaiian Kingdom—Volume 3** Ralph S. Kuykendall, 2021-05-25 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British navigator Captain James Cook falls naturally into three periods. During the first Hawaii was a monarchy ruled by native kings and queens. Then came the perilous transition period when new leaders, after failing to secure annexation to the United States, set up a miniature republic. The third period began in 1898 when Hawaii, by annexation, became American territory. The Hawaiian Kingdom by Ralph S. Kuykendall is the detailed story of the island monarchy. In the first volume, *Foundation and Transformation*, the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period. He then shows how the arrival of sea rovers, traders, soldiers of fortune, whalers, scoundrels, missionaries, and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid. In the second volume, *Twenty Critical Years*, the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific. It was an important period with distinct and well-marked characteristics, but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve. Much of the material is taken from manuscript sources and appears in print for the first time in the second volume. The third and final volume of this distinguished trilogy, *The Kalakaua Dynasty*, covers the colorful reign of King Kalakaua, the Merry Monarch, and the brief and tragic rule of his successor, Queen Liliuokalani. This volume is enlivened by such controversial personages as Claus Spreckels, Walter Murray Gibson, and Celso Caesar Moreno. Through it runs the thread of the reciprocity treaty with the United States, its stimulating effect upon the island economy, and the far-reaching consequences of immigration from the Orient to supply plantation labor. The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893. *Native Hawaiians Study Commission* United States Congress. Senate. Committee on Energy and Natural Resources, 1985 **The History and Immigration of Asian Americans** Franklin Ng, 1998 This volume traces the modern critical and performance history of this play, one of Shakespeare's most loved and most performed comedies. The essay focuses on such modern concerns as feminism, deconstruction, textual theory, and queer theory. Presstime in Paradise George Chaplin, 1998-02-01 Since it first rolled off the presses in 1856, *The Honolulu Advertiser* has been an important force in reporting and shaping the news of Honolulu and secondarily the Hawaiian Islands. Established as *The Pacific Commercial Advertiser*, a four-page weekly, it was the first enduring non-government-owned or subsidized newspaper published in the Hawaiian Kingdom. Under its first owner, the son of New England missionaries, the Advertiser became the most successful commercial English-language newspaper in the Islands. The paper became a daily in 1882 and in 1921 changed its name to *The Honolulu Advertiser*. Now owned by Gannett Company Inc., the Advertiser is one of

the oldest newspapers still operating west of the Rockies George Chaplin editor in chief of the Advertiser from 1959 to 1986 has written a colorful and entertaining insider's account of nearly a century and a half of Advertiser history He covers the legion of personalities that has worked for the Advertiser over the years owners from its first Island owner Henry Whitney to its last the Thurston Twigg Smith family publishers editors reporters political cartoonists photographers and pressroom people He reports on issues and historical events that had a powerful impact on the Honolulu community and comments on the newspaper's position regarding each the sensational Massie trial the dilemma of Hawaii's Americans of Japanese ancestry during World War II the labor movement and communism in the Islands and statehood among others He also recalls the many political figures who have waged their media battles within the pages of the Advertiser Presstime in Paradise is an illuminating and informative look at the internal operations of a newspaper and its relationship with a community that has both influenced it and been influenced by it It adds significantly to the growing body of literature on the role of the free press in Hawaii

Belligerents, Brinkmanship, and the Big Stick John M. Dobson, 2009-07-14 This encyclopedia offers authoritative coverage of the concepts traditions events and individuals that shaped United States foreign relations from the American Revolution to the present *Belligerents Brinkmanship and the Big Stick* A Historical Encyclopedia of American Diplomatic Concepts is the first comprehensive encyclopedic work to focus specifically on America's extraordinary history of political engagement with the world With hundreds of alphabetically organized entries and a rich collection of primary sources it offers a unique way of understanding the centrality of diplomacy and the role of foreign relations throughout U S history The encyclopedia is divided into five chronological sections each containing a brief introduction topical entries biographical portraits and representative documents It is designed to help readers gain a deeper understanding of both general ideas as well as specific policies like the Monroe Doctrine the Open Door Policy and Shuttle Diplomacy By examining seminal events important ideas and individual contributions in the context of U S history the encyclopedia reveals the underlying traditions and motivations of American foreign policy as it has evolved over time

Who Owns the Crown Lands of Hawai'i? Jon M. Van Dyke, 2007-12-31 The 1846 1848 Mahele division transformed the lands of Hawai'i from a shared value into private property but left many issues unresolved Kamehameha III agreed to the Mahele which divided all land among the monarch the ali'i chiefs and the maka'inana commoners in the hopes of keeping the lands in Hawaiian hands even if a foreign power claimed sovereignty over the Islands The king's share was further divided into Government and Crown Lands the latter managed personally by the ruler until a court decision in 1864 and a statute passed in 1865 declared that they could no longer be bought or sold by the monarch and should be maintained intact for future monarchs After the illegal overthrow of the monarchy in 1893 Government and Crown Lands were joined together and after annexation in 1898 they were managed as a public trust by the United States At statehood in 1959 all but 373 720 acres of Government and Crown Lands were transferred to the State of Hawai'i The legal status of Crown Lands remains controversial and

misunderstood to this day In this engrossing work Jon Van Dyke describes and analyzes in detail the complex cultural and legal history of Hawai i s Crown Lands He argues that these lands must be examined as a separate entity and their unique status recognized Government Lands were created to provide for the needs of the general population Crown Lands were part of the personal domain of Kamehameha III and evolved into a resource designed to support the m who in turn supported the Native Hawaiian people The question of who owns Hawai i s Crown Lands today is of singular importance for Native Hawaiians in their quest for recognition and sovereignty and this volume will become a primary resource on a fundamental issue underlying Native Hawaiian birthrights 64 illus 6 maps History of the Supreme Court of the United States Owen M. Fiss,2006 Imperial Maine and Hawai'i Paul T. Burlin,2008-03-01 Burlin s book provides an analysis of some of the broad themes and currents of 19th century American expansion in the Pacific through a discussion of a number of Maine inhabitants either going to Hawai i or other areas of the archipelago Individuals covered include Sanford Dole Luther Secerance John L Stevens and James G Blaine

Right here, we have countless ebook **The Hawaiian Revolution 189394** and collections to check out. We additionally have enough money variant types and furthermore type of the books to browse.
