WHO AM I, GOD? Joanah E. Gana, 2025-07-29 This book is about the identity of a believer in Christ An identity provides authentic information from the source and defines the person A believer's true identity comes from God through His Word It shows exactly who you are but just as you cannot get what belongs to you without having your identity so can you not claim what belongs to you in God without knowing what it is This book has made some effort to define a believer's identity in God through what God says it is in His Word the Bible and how to use it to the best advantage What He says you are is given to you as His authority to exercise and make you walk with confidence It is about how God sees you from His point of view When you find out what God says you are you will see what He is making you be where you can and be all you can be The book walks you through the Bible as God's manual of information to show your identity in Him and how best to use it **The**
