**Haven of Peace: Finding our True Home in the Mind and Heart ,      The Cross at the Heart of the Church**  
Petre Maican, 2025-09-18 Can Eastern Orthodoxy apply the term church to other Christian communities Emerging from the 2016 Pan Orthodox Council this issue sparked one of the most heated debates in contemporary Eastern Orthodoxy According to Maican grappling with this question within the current framework of Eastern Orthodox ecclesiology presents significant challenges In this unifying work he argues that neither the emphasis on the Eucharist nor the adherence to the Tradition of the Fathers is capable of accommodating legitimate Christian otherness Instead Maican proposes a cruciform ecclesiology positing the cross as not only foundational to doctrines and sacraments but also as the primary criterion for discerning the ecclesial nature of a community Through dialogue with Dumitru Staniloae Hans Urs von Balthasar and Paul Tillich this book employs a conversationalist approach to this intricate problem Ultimately Maican provides a nuanced examination of the cross in ecclesiology yielding bold propositions for recognizing the ecclesial status of other Christian communities
