the Barrens George James Grinnell,2010-04-20 Set in the remote arctic region of Northern Canada this book takes readers on a harrowing canoe voyage that results in tragedy redemption and ultimately transformation George Grinnell was one of six young men who set off on the 1955 expedition led by experienced wilderness canoeist Art Moffatt Poorly planned and executed the journey seemed doomed from the start Ignoring the approaching winter the men became entranced with the peace and beauty of the arctic in autumn As winter closed in they suddenly faced numbing cold and dwindling food When the crew is swept over a waterfall Moffatt is killed and most of the gear and emergency food supplies destroyed Confronting freezing conditions and near starvation the remaining crew struggled to make it back to civilization For Grinnell the three month expedition was both a rite of passage and a spiritual odyssey In the Barrens he lost his sense of identity and what he had been conditioned to think about society and himself Forever changed by the experience he unsparingly describes how the expedition influenced his adult life and what powerful insights he was able to glean from this life altering experience

Women's Utopias in British and American Fiction Nan Bowman Albinski,2019-11-21 Utopian writing offers a fascinating panorama of social visions and the related forms of dystopia and anti utopian satire extend this into the range of social nightmares Originally published in 1988 this comparative study of utopian fiction by British and American women writers demonstrates the continuity of a well established but little known tradition emphasising its range and diversity and providing ample evidence of women s aspirations and documenting the restrictions and exclusions in private and public life that their novels challenge Historically the growth of each national tradition is traced in relation to social and political movements particularly the suffrage movement and contemporary feminism Comparatively the quite different responses of British and American women to what are in many instances the same social problems are examine in the light of changing expectations Definitions of human nature and gender relationships are assessed on a nature culture continuum as a means of understanding this change Women s attitudes to their social and political roles their working lives to sexuality marriage and the family are reflected in their visions of fruitful change and so also is the impact of two world wars socialism and fascism the debate on peaceful uses of nuclear energy and fears of a nuclear holocaust
