The Pagan Christ The Spirituality Of Wine:

The Pagan Christ Tom Harpur, 2009-05-26 A provocative argument for a mystical rather than historical understanding of Jesus leading to a radical rebirth of Christianity in our time For forty years scholar and religious commentator Tom Harpur has challenged church orthodoxy and guided thousands of readers on subjects as controversial as the true nature of Christ and life after death Now in his most radical and groundbreaking work Harpur digs deep into the origins of Christianity At a time of religious extremism Tom Harpur reveals the virtue of a cosmic faith based on ancient truths that the modern church has renounced His message is clear Our blind faith in literalism is killing Christianity Only with a return to an inclusive religion where Christ lives within each of us will we gain a true understanding of who we are and who we are intended to become The Pagan Christ is a book of rare insight and power that will reilluminate the Bible and change the way we think about religion

The Spirituality of Wine Gisela H. Kreglinger, 2016-04-26 In this book Gisela Kreglinger offers a fresh holistic vision of the Christian life that sees God at work in all created things including vineyards the work of vintners and the beauty of well crafted wine shared with others around a table Kreglinger begins by examining wine in the Bible in the history of the church and in the Lord's Supper and these reflections culminate in a theology of joy and feasting that celebrates the human senses as gifts for tasting the goodness of God In the second part of the book Kreglinger brings Christian spirituality and the world of wine together in new ways exploring such matters as technology and wine crafting the health benefits of wine alcohol abuse consumerism and soul care Her discussion is enriched by interviews with thirty vintners from around the world as well as her own experience growing up on a family winery in Bavaria

The Long View Donna Sinclair, 2011-09 Daily meditations that nourish elder wisdom and inspire hope This book is all about finding and offering hope It's about claiming the full meaning of eldership and knowing that elder women have much to offer This collection of 365 daily reflections offers elderwomen and younger women who wish to listen in an opportunity to nourish the wisdom and deep knowing that comes from life experience It also holds out the potential for growth the opportunity to waken to different perspectives that can lead to rich possibilities and courageous actions This is territory Donna Sinclair knows well Retired from a 35 year career as a respected journalist Sinclair has found plenty of life and purpose to carry her forward In particular she has come to realise the important roles elderwomen play in our society remembering the past speaking out against injustice seeking to restore the balance of creation Sinclair also knows that in order to accomplish these difficult yet essential tasks elderwomen need to nourish their inner life The challenges women face today are so enormous and threatening that it is easy to fall into despair For this reason especially elderwomen need to seek hope and share it generously as Sinclair does here

The Spirituality of Bread Donna Sinclair, 2007 This book is about bread why we make it how we make it what it has to teach us the memories it gives us Bread offers connections as Jesus connected with his friends as we connect with our children as Demeter the goddess of grain bound herself to her daughter People of every culture are tied together by the

bread they bake Bread helps us to remember who we are and whom we love Bread gives us calm It is the opposite of fast food You cannot make bread in ten minutes and the slow work of kneading and shaping and meditating heals our over scheduled lives In this beautifully and lavishly illustrated book you can almost smell the aroma of fresh baked bread Donna Sinclair shares recipes and memories stories and ideas about precious loaves that stir memory and bring pleasure You can make your own bread and memories with this book or simply contemplate the wisdom of the stories found within as you visit your local baker or make morning toast

Water Into Wine Tom Harpur, 2008-11-06 Following the extraordinary and ongoing success of his 2004 book The Pagan Christ scholar and author Tom Harpur was deluged with readers requests to go more deeply into the mythological allegorical approach to the story of Jesus he took in that bestselling book In Water Into Wine Harpur sets out the powerful and transforming message that emerges when the Gospels are finally read as they were originally intended to be and as they were understood by the first Christians such as Origen and Clement Seen in their true mythological and symbolical meaning the stories in the drama of Jesus life come alive in a totally fresh way not as the account of a single distant god man working strange miracle like Superman or some other fictional magician but as a description of the evolution of the soul in everyone of us The theme of the Gospels parallels exactly the theme of the Old

Testament as well as every ancient sacred text which is that a spark of the divine spirit incarnates in each and every human being Tom Harpur shows how the old old story is at the heart of every religion and how it is really our own personal story too Water Into Wine is a tour de force written by a skilled and learned communicator that should excite and nourish every true seeker after spiritual fulfillment As well it has the enormous potential for furthering the goal of global understanding and peace

There Is Life After Death Tom Harpur, 2011-02-19 What happens when we die Will we simply dissolve into nothingness or will we survive death in some other form Issues of death and dying have consumed humanity from time immemorial In our modern western culture we have tended out of fear to deny and push death away And yet a healthy consideration of this issue can help us embrace and understand what happens to us when we die There is Life After Death is Tom Harpur's classic examination of death and dying Now fully revised and updated here is a new edition of a book that weighs the scientific religious and anecdotal evidence of survival of death and what happens after we die The likelihood of death being a portal to other forms of existence is argued persuasively Tom Harpur looks at the witness of near death experiences and examines the idea of reincarnation as well as the claims of channelers and spirit mediums Most importantly the author looks at how the great world religions from Christianity Judaism and Islam to Hinduism Buddhism and Native Spirituality among others deal with life after death This book is a powerful summary of what we know and believe about death There is Life After Death is both illuminating and comforting in its message and conclusions and goes a long way in putting to rest one of the last great taboos of our culture
