The Late Works of J.M.W. Turner Sam Smiles,2020 An exploration of Turner s final vital years including new readings of some of his most significant paintings0 The paintings and drawings Joseph Mallord William Turner 1775 1851 produced from 1835 to his death in 1851 are seen by many as his most audacious and compelling work a typical example of late style In this study Sam Smiles goes beyond late style with its focus on formal qualities and assumptions about personal expression as an explanatory framework for Turner s late works Instead he argues that Turner in his final fifteen years was an artist entirely engaged with his own times Smiles examines the artist s critical reception in these years and scrutinizes accounts that presumed Turner s physical and mental health collapsed in his seventies to see what can be reliably said about his work as he aged Emerging from this study is an artist who used his final years to consolidate the principles that had motivated him throughout his career An Exhibition of Paintings by J.M.W.
