The Pastor Evangelist In The Parish:

The Pastor-Evangelist in the Parish Richard Stoll Armstrong, 1990-01-01 Accomplished author Richard Stoll Armstrong speaks openly and honestly about how a pastor functions with evangelical sensitivity in the roles of visitor counselor teacher discipler administrator and public figure He describes the specific opportunities for evangelism in each of these functions Ways are suggested in which pastors can lead conversations and group or class meetings that open up opportunities for discussion of faith questions *The Pastor-evangelist in Worship*, 1986-01-01 The role of the pastor as worship leader and preacher takes on additional significance when viewed in the context of evangelism Building on the foundation laid in his earlier book *The Pastor as Evangelist* Richard Stoll Armstrong provides practical down to earth guidance for the minister who wants to participate more fully in the church's mission of evangelism **Help! I'm a Pastor!** Richard Stoll Armstrong, Kirk Walker Morledge, 2005-01-01 Richard Armstrong and Kirk Morledge present this practical guide for pastoral ministry offering counsel about a wide range of topics related to a pastor's professional ministry and personal life Topics include beginning a new ministry balancing one's personal life and ministry wrestling with conflict worrying about church finances and preaching This introduction to ministry can function as a textbook as well as an invaluable handbook or desk reference for pastors in the midst of congregational ministry **The Forgotten Officer** Joe Kohler, 2016-04-11 The Bible teaches that the church is the fullness of Christ on earth Eph 1:23 and that God is able to do abundantly beyond all that we ask or think according to the power at work within the church Eph 3:20 So why are so many people disappointed with their church experiences Why do so many outsiders view the church as irrelevant Why do so many hop from one church to the next looking for fulfillment Why are so many professing Christians seeking a form of Christian experience that no longer needs any connection with the organized church The truth is that we have collectively drifted away from God's blueprint for growing the body of Christ up into full maturity and attaining the fullness that he designed We have inherited a leadership model that is more influenced by pagan practices pragmatism and capitalism than by the Scriptures This cultural inheritance is extremely powerful and it has resulted in a contemporary blind spot on a biblical truth of critical importance It has led to our modern failure to properly recognize and appreciate a gift given by Jesus to his bride This is the bad news The good news is that reform is possible Learn what has been forgotten and rediscover the fullness of God's design for his church *The Homiletic Review*, 1891 Pastoral Counseling: A Ministry of the Church John H. Patton, 2002-08-27 Pastoral counseling is unique and John Patton widely known practitioner and teacher explains that uniqueness in the context of other forms of therapy available He then determines what pastoral counseling is and how it is done His theory focuses on the centrality of the pastoral relationship reclaiming pastoral counseling as a legitimate ministry of the church He shows that the pastoral relationship is common to both the generalist and the specialist in counseling and explains how his concept of relational humanness is the norm for Christian pastoral counseling The accountability of the pastoral counselor in regard to

the story of Jesus in terms of his her role and function as minister and in relation to the community the church which ordains and the peers in ministry is discussed How to structure a pastoral counseling interview how to determine the unit of care and how healing occurs in pastoral counseling are all important facets of this excellent book Case studies an index and notes are included *Northwestern Christian Advocate* ,1904 Homiletic Review ,1925 **Metropolitan Pulpit and Homiletic Monthly** ,1891 *North-western Christian Advocate* ,1898
