The Patriot Game:

The Patriot Game George V. Higgins, 2012-10-03 Fast talking hard living politicians priests smugglers and thieves play the game of the Boston streets in George V Higgins The Patriot Game Federal agent Pete Riordan is as tough as they come he is six foot four with a bad knee and a mean temper but his commitment to his job is beyond exemplary When he is called upon to find the man delivering arms to the IRA he takes to with gusto Little did he know it would be such a guessing game bar proprietor Digger Doherty is rumored to have leads and convicted killer Mikey Magro serving time in Walpole certainly knows more than he lets on But no one is coming forward and time is running out and why is Mikey Magro being released from jail prematurely anyway Teeming with unlikely characters and fiery dialogue that propel the plot to break neck speed The Patriot Game is nothing short of a George V Higgins masterpiece

The Patriot Game Ron Culley, 2013-04-24 The Irish Republican Army's Chief of Staff Charlie Kerins is executed by de Valera's Free State government following a tip off Sinéad O'Grady a young and inexperienced Volunteer serving in the IRA during Ireland's Emergency period throughout World War Two is tasked with finding the informer and with assisting a German diplomat in organising an arms drop in rural Kerry But with a traitor in the ranks British Intelligence and de Valera's Gardai on her heels falling in love has got to be a distraction As an assassination campaign begins mistrust deepens and Sinéad's life and that of those she loves hang by a thread

The Patriot Game George V. Higgins, 1989 **The Patriot Game** John De St. Jorre, Brian Shakespeare, 1973

The Patriot Game Joseph Scott Kierland, 197? *Folklife Center News* American Folklife Center, 2001 **Folklife Center News**, 1999 *War Story* Longarm, 2004 WAR STORY is the story of a war It is a personal observation from 1964 of how the American War in Vietnam came to be It is also my first covert mission We flew through six unfriendly countries and came back alive by a combination of accident and design Nobody noticed The real events of my time have today become things that never were Media fiction has become history This is not a surprise It is the normal course of covert war I am reversing that normal course This is a message from the real world It is probably not the world in which you think you live Maybe something very important to you is not there at all I know that feeling How you deal with it is up to you This is not useless ancient history The rules of this conflict are a part of human nature They are always the same If you understand Vietnam in 1964 you will also understand the world around you You will be hard to control And that is my intention

Northern Ireland Rona M. Fields, 2020-03-09 The troubles in Ireland are not new They have taken a heavy toll in lives and perhaps more importantly in psychological health This book is not concerned with events in themselves although it includes historical analysis of the conflict in Northern Ireland It does attempt to discover the human effects of long term conflicts such as those occurring in Ireland From testing and interviews with the children women and men of Northern Ireland beginning in 1969 the author has developed a case study of the long term effects of stress on a population She identifies certain social control mechanisms that produce a mixture of chaos and docility in the troubled North and argues

that England has established these in order to destroy the identity of the people a process she calls psychological genocide Northern Ireland Society Under Siege applies social psychological theory to a concrete and ongoing situation in a way that is illuminating for the general reader and for the specialist Dr Fields has done what might appear obvious find out the effects of stress on a population by going to that population and observing what their lives are like The remarkable fact is however that until now no one has done so a wide ranging and perceptive book A significant thrust and contribution of this book is Fields discussion of psychological and social control procedures and practices Fields report is a challenge to humanity and an indictment of English patricianism racism and imperialism Alfred McClung Lee Dr Rona Field is a brave and deeply compassionate human being a committed researcher who cannot be intimidated by gunmen English soldiers bigots ferocious politicians or the horrors of confronting human suffering in dreadful forms This valiant woman deserves international praise and recognition for the unflinching study of a tragic society Dennis Clark National Catholic Reporter

Revolution in the Air Clinton Heylin, 2009-06-01 Bob Dylan has always regarded himself as a songwriter I am my words he wrote in 1964 Distilling a lifetime's passion and study leading Dylan author Clinton Heylin charts the development and first moments of genius of this unique artist whose songs changed the world From his first attempts at writing Song to Bridget in 1957 apparently for Brigitte Bardot Bob Dylan always aspired to poetry yet his role as a writer rather than a performer of his own songs is often overlooked In over fifty years of creativity he had penned some of the most iconic and perfect songs in popular history Arriving in New York in 1961 the city had an enormous impact on the young artist and as he established himself amongst the folk clubs and artists he would produce songs that spoke for a whole generation Blowing in the Wind A Hard Rain's Gonna Fall The Times They Are a Changin' Like a Rolling Stone and Forever Young In *Revolution in the Air* Clinton Heylin recounts the story of each song as it is written giving a full appreciation of the songs themselves as well as Dylan the emerging artist Unlike any other book on Dylan it charts his rise as a writer where he gained his inspiration the burst of energy which produced some of his most famous songs as well as the lesser known stories behind the more iconic verses This is an essential book for anyone interested in Dylan and his place in literature Informative opinionated packed with new insights and revelations this is an instant classic
