The Peaceable Kingdom A Primer In Christian Ethics

Sabine Zange

The Peaceable Kingdom A Primer In Christian Ethics:

The Peaceable Kingdom Stanley Hauerwas, 1991-08-31 Stanley Hauerwas presents an overall introduction to the themes and method that have distinguished his vision of Christian ethics Emphasizing the significance of Jesus life and teaching in shaping moral life The Peaceable Kingdom stresses the narrative character of moral rationality and the necessity of a historic community and tradition for morality Hauerwas systematically develops the importance of character and virtue as elements of decision making and spirituality and stresses nonviolence as critical for shaping our understanding of Christian ethics

The Peaceable Kingdom Stanley Hauerwas, 1983 Examines Christian ethics in a fragmented and violent world Considers historical perspectives and the task of ethics Focuses on the peaceable kingdom the servant community and the spirituality of peaceableness

The Peaceable Kingdom Stanley Hauerwas, 1984 **The Hauerwas Reader** Stanley Hauerwas, 2001-07-23 A Stanley Hauerwas Reader including Hauerwas essays and excerpts from his books and monographs intended to provide a comprehensive introduction to his work

Christian Ethics and Commonsense Morality Kevin Jung, 2014-11-27 Christian Ethics and Commonsense Morality goes against the grain of various postmodern approaches to morality in contemporary religious ethics In this book Jung seeks to provide a new framework in which the nature of common Christian moral beliefs and practices can be given a new meaning He suggests that once major philosophical assumptions behind postmodern theories of morality are called into question we may look at Christian morality in quite a different light On his account Christian morality is a historical morality insofar as it is rooted in the rich historical traditions of the Christian church Yet this kind of historical dependence does not entail the evidential dependence of all moral beliefs on historical traditions It is possible to argue for the epistemic autonomy of moral beliefs according to which Christian and other moral beliefs can be justified independently of their historical sources The particularity of Christian morality lies not in its particular historical sources that also function as the grounds of justification but rather in its explanatory and motivational capacity to further articulate the kind of moral knowledge that is readily available to most human beings and to enable people to act upon their moral knowledge

The Cambridge Companion to Christian Ethics Robin Gill, 2011-11-24 In this second edition of the best selling Cambridge Companion to Christian Ethics Robin Gill brings together twenty essays by leading experts to provide a comprehensive introduction to Christian ethics which is both authoritative and up to date This volume boasts four entirely new chapters while previous chapters and all bibliographies have been updated to reflect significant developments in the field over the last decade Gill offers a superb overview of the subject examining the scriptural bases of ethics as well as discussing Christian ethics in the context of contemporary issues including war and the arms trade social justice ecology economics medicine and genetics All of the contributors have a proven track record of balanced comprehensive and comprehensible writing making this book an accessible and invaluable source not only for students in upper level undergraduate courses graduate students and teachers but anyone interested in

Christian ethics today **Christian Ethics at the Boundary** Karen V. Guth, 2015-09-01 In contemporary reflection on Christianity and politics the work of realist witness and feminist theologians has been done in isolation *Christian Ethics at the Boundary* offers the first collaborative approach to public and political theology Extending the strong contextual work of Robin W Lovin Stanley Hauerwas Kathryn Tanner Monica A Coleman and Mary McClintock Fulkerson author Karen V Guth engages the prominent public theologians Reinhold Niebuhr John Howard Yoder and Martin Luther King Jr to identify new trajectories for future work in Christian ethics *Inequality and Christian Ethics* Douglas A. Hicks, 2000-09-18 *Inequality and Christian Ethics* first published in 2000 provides a moral and empirical analysis of contemporary social and economic inequality Drawing on Christian social ethics political philosophy and development economics the book seeks to create an interdisciplinary conversation that illuminates not only the contemporary realities and trends of inequality but their moral significance as well It is necessary to examine and understand inequality in various forms which the book maps out including disparity in income education and health as well as differentials based on race ethnicity gender and nationality The book draws in particular on the theological ethics of Gustavo Guti rrez and H Richard Niebuhr to provide a Christian ethical approach to inequality and well being It considers the capability approach set forth by Amartya Sen Nobel laureate in economics Sen s framework helps Christians and other persons to add specificity to what the commitment to equality before God would demand in social and economic relations **The Blackwell Companion to Christian Ethics** Stanley Hauerwas, Samuel Wells, 2008-04-15 *The Blackwell Companion to Christian Ethics* presents a comprehensive and systematic exposition of Christian ethics seen through the lens of Christian worship An innovative exposition of Christian ethics seen through the lens of Christian worship Challenges conventional approaches to the subject Restores a sense of the integral connection between Christian ethics and theology Stanley Hauerwas is one of the most influential figures in Christian ethics around the world Embraces contributors from the Roman Catholic Anglican Methodist Presbyterian Mennonite and Pentecostal traditions Designed to be accessible to introductory students Will have a major impact on the discipline of Christian ethics *Introduction to Christian Ethics* Ellen Ott Marshall, 2018-10-30 All Christians read the Bible differently pray differently value their traditions differently and give different weight to individual and corporate judgment These differences are the basis of conflict The question Christian ethics must answer then is What does the good life look like in the context of conflict In this new introductory text Ellen Ott Marshall uses the inevitable reality of difference to center and organize her exploration of the system of Christian morality What can we learn from Jesus creative use of conflict in situations that were especially attuned to questions of power What does the image of God look like when we are trying to recognize the divine image within those with whom we are in conflict How can we better explore and understand the complicated work of reconciliation and justice This innovative approach to Christian ethics will benefit a new generation of students who wish to engage the perennial questions of what constitutes a faithful Christian life and a just society

Whispering the Techniques of Language: An Mental Journey through **The Peaceable Kingdom A Primer In Christian Ethics**

In a digitally-driven earth where monitors reign great and immediate connection drowns out the subtleties of language, the profound secrets and psychological nuances concealed within phrases frequently go unheard.
