The Perfume River:

The Perfume River Cathy Cole,2010 This anthology named The perfume river after one of Vietnam s most poetic waterways draws together writing from Vietnam in every sense The writers live in vietnam and a number of other countries Some are of Vietnamese background others are not For all Vietnam has defined itself as a voice of inspiration of homeland memory and discovery Cover *The complete canal boat guide for Vietnam* ,2025-08-15 [The U.S. Naval Institute on Vietnam: Coastal and Riverine Warfare](#) Thomas J Cutler,2016-06-15 The U S Naval Institute Chronicles series focuses on the relevance of history by exploring topics like significant battles personalities and service components Tapping into the U S Naval Institute s robust archives these carefully selected volumes help readers understand nuanced subjects by providing unique perspectives and some of the best contributions that have helped shape naval thinking over the many decades since the Institute s founding in 1873 Among the various aspects of the U S Navy s in country experiences in Vietnam small craft operations are among the most significant Revealed in this collection from the Naval Institute s archives are Operations Market Time Game Warden and SEALORDS as well some lesser known aspects of the Navy s iconoclastic venture into the green and brown waters of Southeast Asia **Vietnam** Jen Green,2008 Discusses the country Vietnam and its people history culture geography and other topics **River Warfare in Vietnam** Robin L. Rielly,2024-02-19 America s entrance into the wars in Vietnam came as a result of several factors Among them was the necessity of bolstering French influence in the area in the face of mounting communist expansion This expansion was intensified by the outbreak of the Korean War making it necessary for the United States to revamp its Southeast Asian policy During the French era control of Vietnam s rivers streams and canals became necessary This led various factions to develop specialized military units heavily dependent on new types of river craft that could traverse the myriad waterways in Vietnam The focal point of this study is a new assessment of the conduct of river warfare Drawing on little known French Vietnamese and American sources and materials it sheds light on an important aspect of the Vietnam War Chapters also detail numerous aspects of river warfare not generally covered in other books on the subject **The 1968 Tet Offensive Battles Of Quang Tri City And Hue [Illustrated Edition]** Erik Villard,2014-08-15 Includes 10 maps 5 illustrations This monograph focuses on the battles of Quang Tri City and Hue that took place during the 1968 Tet offensive The offensive itself an all out effort by Viet Cong and North Vietnamese forces to overrun the major cities of South Vietnam marked the turning point of the Vietnam War Although the attacks were costly failures in military terms they set the United States on a path of disengagement from the war that ultimately led to the fall of Saigon some seven years later The battles for the two northernmost provincial capitals in South Vietnam Quang Tri City and Hue are particularly worth examining because the enemy regarded them as key objectives second only to Saigon the national capital To a large extent the success or failure of the offensive depended on what happened there The battles tell us much about how the enemy prepared for the offensive why he achieved a high degree of

surprise and initial success and why his attacks ultimately failed The battle for Quang Tri City a textbook example of a vertical envelopment resulted in a quick allied victory The fight for Hue turned into a slow grinding campaign of attrition that lasted nearly a month before the enemy was finally defeated Together they offer instruction on the strengths and limitations of airmobile warfare and a primer on urban fighting in a counterinsurgency environment subjects that continue to be a major Army interest throughout the world *Infantry*, 1995 *A Time to Kill, a Time to Heal* Roger Helle, 2019-01-04 Ron entered the long hospital corridor looking for his brother Roger After searching the ward unsuccessfully he approached a doctor standing by the bed of a patient I m Sergeant Helle s brother he said How is he The doctor looked at Ron and said I m sorry son but your brother is going to die There s nothing else we can do Just a few beds away drifting in and out of consciousness Roger heard the doctor s death sentence Not yet twenty three years old he felt fear grip his heart in a way he had not even experienced on the battlefield That fear caused him to do something he had never done before Roger silently prayed God if there is a God if you let me live I ll do anything you want Then he slipped mercifully back into a drug induced sleep That prayer would be answered in a way Roger could never have imagined but only after years of nightmares alcohol and tortured emotional battles Peace did come at last as Roger not only made peace with Vietnam but the emotional pain of his past as well Roger and Shirley Helle live in Chattanooga Tennessee They retired from Teen Challenge in 2017 after 40 years of ministry The Helle s continue to travel across the country speaking and ministering **American Battles and Campaigns** Kevin J Dougherty, Hunter Keeter, Rob S Rice, 2017-05-02 Arranged chronologically American Battles Campaigns covers every major campaign and battle fought in North America or by United States forces overseas from the Pequot War of 1634 to the recent conflicts in Afghanistan and Iraq **U.S. Marines In Vietnam: The Defining Year, 1968** Jack Shulimson, 2015-11-06 The year 1968 was the year of the Tet Offensive including Khe Sanh and Hue City These were momentous events in the course of the war and they occurred in the first three months of the year This book however documents that 1968 was more than just the Tet Offensive The bloodiest month of the war for the U S forces was not January nor February 1968 but May 1968 when the Communists launched what was called their Mini Tet offensive This was followed by a second Mini Tet offensive during the late summer which also was repulsed at heavy cost to both sides By the end of the year the U S forces in South Vietnam s I Corps under the III Marine Amphibious Force III MAF had regained the offensive By December enemy initiated attacks had fallen to their lowest level in two years Still there was no talk of victory The Communist forces remained a formidable foe and a limit had been drawn on the level of American participation in the war Although largely written from the perspective of III MAF and the ground war in I Corps the volume also treats the activities of Marines with the Seventh Fleet Special Landing Force activities of Marine advisors to South Vietnamese forces and other Marine involvement in the war Separate chapters cover Marine aviation and the single manager controversy artillery logistics manpower and pacification E H SIMMONS Brigadier General U S Marine Corps Retired
