Sins Of The Mother TJ Lee, 2022-11-18 Fall in love with my step brother Arranged marriage to the mafia Have a baby the father knows nothing about Sleep with my bodyguard I could go on further with my list of cliché d travesties but that would give my story away To put it simply my mother only ever cared about money She kept me from my dad for the money She pushed me to date my boyfriend for the money She forced me to get back together with him after I dumped him for the money She forced me to marry him and lie about my baby for the money She trapped me in a life I never wanted for the money My mother sinned against the mafia and I would forever pay for it **Sins of the Mothers** Saundra Akers, 2012-11 Rita Carter surprises her therapist by insisting that she is her own Great Great Grandmother This forces the therapist to treat not just Rita but her ancestors as well as she tries to get to the bottom of Rita s problems in the present time Sins of the Mothers is a fictional narrative inspired by true events What we do in life matters to those who come after us even though we may think it is our business and we should be able to act any way we want Our choices affect not only us but will affect our children and those around us as well as those who are born long after our time on this earth We all make both good and bad choices just as the characters in this work of historical fiction do Sins of the Mothers Bryan M. appear throughout the text I have included translations wherever appropriate She also lived and studied in Italy before moving to Israel and eventually to the United States Again where words and phrases are included in those languages and I have included translations to the best of my ability
