Sir William Hingston 1829-1907 Montreal Mayor Surgeon And Banker:

Staying Connected James Ferrabee, Michael St B. Harrison, 2009-11-30 James Ferrabee and Michael Harrison reveal that even as decades have passed and economic trends have soared and crashed MacDougall MacDougall MacTier has been able to rely in good times and bad on the tradition and continued presence of the MacDougall family as well as the firm's core values integrity independence and trust Not only rich in detail about the history of the company its founding family and Canadian business Staying Connected also offers a lively portrait of the city of Montreal from the mid nineteenth century to the early twenty first Accessible and amusing this is an inside account of a continual success story **The Canadian Journal of Irish Studies**, 2005

At the Heart of St. Mary's Alan Hustak, 2014 At the Heart of St Mary's is much more than an illustrated history of the hospital's survival It is filled with startling stories of disappointment perseverance power struggles political infighting linguistic turmoil and extraordinary resilience often in the face of outright hostility Everyone who has ever worked at St Mary's been born there or been a patient has a story to tell about the hospital Those who believe in the place believe in it devoutly For nearly 90 years St Mary's Hospital Centre has been one of Montreal's finest The hospital was the vision of a determined nun Helen Morrissey and a well heeled young surgeon Dr Donald Hingston Irish philanthropists and doctors with names such as Shaughnessy McKenna O'Brien and Timmins bankrolled the institution in its early days The Grey Nuns and then the Sisters of Providence ran its top notch nursing school for almost 50 years St Mary's remains a manageable institution where patients are still treated as individuals and not numbers especially in its obstetrics oncology radiology and family medicine departments Affiliated with McGill University St Mary's is no longer a faith based institution although the spirit of its founders lives on **Sir William Hales Hingston (1829-1907)** Édouard Desjardins, 1959

One Long Line of Marvel Alan Hustak, 2024-02-23 There are parades and then there is Montreal's St Patrick's parade which has marched through the streets of the city and into Canadian history for 200 years The street carnival has outlived the Patriote Rebellion of 1837 Fenian infiltration Orange animosity strained relationships among Roman Catholic priests who wanted it cancelled two world wars two Quebec independence referendums and two centuries of howling March winds and chilling sub zero temperatures With One Long Line of Marvel veteran journalist Alan Hustak has dug up untold nuggets about the parade and nested them with historical certainty and an imaginative flourish in the setting of a Montreal that he knows Although the author is not a son of Erin he is considered an honorary Irishman and in 2006 walked the parade route as Chief Reviewing Officer With this book he continues to honour Montreal's Irish community by celebrating its personalities and by telling its stories One Long Line of Marvel enlightens entertains amuses and perhaps above all superbly chronicles a long and worthwhile tradition in Montreal's history
