**Crewe's Career** Winston Churchill, 1908 Think that the problem of large corporations exercising undue influence in the political sphere is a recent phenomenon If so think again Mr Crewe s Career an eye opening historical novel set in the early twentieth century follows the efforts of the railroad industry to steamroll its way into state politics in New Hampshire This partly autobiographical political novel set in New Hampshire is a warning against the powers of the railroad interests to control elected government Churchill himself had run for governor just two years earlier and had met his defeat at the hands of the state s railroad lobby In the character of Humphrey Crewe a somewhat politically na ve comical figure who is running for governor Churchill drew a character similar to himself But Crewe is basically a minor figure there to offer comic relief but the main thrust of the story lies elsewhere The main characters actually are Hillary Vane the chief lawyer for the railroad company and major state political operator and his son Austen who represents reform Austen accuses his father of violating a nearly forgotten statute whereby the railroads were not to increase rates in exchange for the right to consolidate a ruling they have long ignored Churchill s real life reform concerns came to the fore right here as this was exactly what was

happening in New Hampshire at the time The battle between Austen and Hillary builds dramatically throughout the novel until Austen is encouraged by other reformers to run for governor But out of loyalty to his father he declines the nomination

*The Quest for Myst* Victoria Weaver-Morrow,2006-11 Long ago confusion seized the common folk as magickal creatures wreaked havoc upon their world by introducing magick the people did not understand Kingdoms were torn apart as evil wizards took over Now the peaceable people with delicate magick are being hunted and drained of their powers They must bring down the imposing evil forces if they hope to restore peace and calm in their land The prince of the commoner s realm Alexander of the North thought he had escaped this darkness until the death of his mother made him a warrior and a hero with a dark secret Even worse he s prone to making mistakes Promising his sister Victoria that she would be the new princess of the West is his first mistake the second is falling in love with Myst a fair maid from a misty pool But Myst is more than just a peasant and has power beyond those of the mighty wizard for whom she is an apprentice When Myst sacrifices herself to save the kingdom from war Alex gathers an incredible group of people to save her from the clutches of evil But will Alex s powerful secret come back to haunt him I was so taken in by Ms Victoria s prose storytelling abilities I found in *The Quest for Myst* a riveting captivating banquet of a tale from an author with an imagination not of this world To further the enjoyment just when I thought it safe to sit back and relax in the read she would drop these lines these witty pearls of thinking author s humor It is not often that I suggest books to others but with *The Quest for Myst* you simply cannot go wrong FW Bosworth Author *Never Play Leapfrog with a Unicorn* *Industrial Water Engineering* ,1968 *Pure-bred Dogs, American Kennel Gazette* ,1973 **Monthly Bulletin** New York Chamber of Commerce,1943
