Her younger brother Ivar accompanies her and they can't wait to join their brother Rune and his family in the northern forests of Minnesota. Signe and Rune Carlson are thrilled to welcome Nilda and Ivar to America but life on the farm remains a struggle. Though Gerd has softened and grown to love the Carlson family, Einar is still harsh and unforgiving, obsessed solely with felling as many trees as possible. Rune is trying to build a new home for his wife and children but Einar refuses to help and forbids anyone from the nearby community from stepping foot on his land. What dark secret must lie in his past to have caused him to isolate himself and anyone living under his roof in this way? When a tragedy lays the truth bare, the Carlsons and Strands will have to come together like never before and become a true family.

The Promise of Dawn (Under Northern Skies Book #1) Lauraine Snelling, 2017-08-01 Beloved Author Lauraine Snelling Launches New Immigrant Series When Signe, her husband Rune, and their three boys arrive in Minnesota from Norway to help a relative clear his land of lumber, they dream of owning their own farm and building a life in the New World. But Uncle Einar and Aunt Gerd are hard demanding people, and Signe and her family soon find themselves worked nearly to the bone in order to repay the cost of their voyage. At this rate, they will never have land or a life of their own. Signe tries to trust God but struggles with anger and bitterness. She has left behind the only life she knew, and while it wasn't an easy life, it wasn't as hard as what she now faces. When a new addition to the family arrives, Signe begins to see how God has been watching over them throughout their ordeal. But after all that has happened, can she still believe in the promise of a bright future?

The Brushstroke Legacy Lauraine Snelling, 2009-02-04 A heart stirring story about a woman's journey to self discovery through art and her family's history. Forbidden, Hidden, Denied. Can art be powerful enough to endure Ragni Clauson's work relationships and body all seem to be falling apart. And she isn't convinced that spending her vacation fixing up her great grandmother's cabin and supervising her rebellious teenage niece Erika will offer any much needed rejuvenation. As Ragni and Erika clean, they begin to uncover the secret paintings and life of Nilda, Ragni's ancestor who lived in the cabin in the early 1900s. Ragni doesn't know how much she has in common with her great grandmother but it becomes clear. Nilda faced her own struggles. Taking care of home and menfolk, fighting off locusts, raising her daughter, and finding time to paint in the midst of it all were not easy tasks. Will Nilda's passion for enduring art re-ignite Ragni's artistic soul a century later? Weaving together the stories of three generations of women, *The Brushstroke Legacy* stirs us to believe that no matter the circumstances, we are called to use our gifts, never knowing when they might bring a stranger to a new place of hope.
