Mexican American autobiography and Cuban American poetry *Picturing the (Un)Dead in Beirut* Agnes Rameder, 2024-12-14 Martyr posters are more than obituary images they can act as visual politics Focusing on Rabih Mroue's play *How Nancy Wished That Everything Was an April Fool's Joke* 2007 Agnes Rameder analyses how contemporary artists question and appropriate Lebanese martyr posters By linking the posters from the Wars in Lebanon 1975-1990 to contemporary posters she shows that these images continue to the present day that martyrs are still created and that deaths such as those who were killed in the explosion on 4 August 2020 are still visually remembered This study does not focus on how such pictures are perceived by a Western audience but delves into the use and abuse of martyr posters that were intended to be shown to the Lebanese

Southeast Asia or the Caribbean is a discovery a colorful thread in a global weave of literary exchange Edited by Samantha Schnee Alane Salierno Mason and Dedi Felman **Resistance Literature** Barbara Harlow,2023-03-01 As one of the foundational texts in the field of postcolonial writing Barbara Harlow s *Resistance Literature* introduced new ground in Western literary studies Originally published in 1987 and now reissued with a new Preface by Mia Carter this powerfully argued and controversial critique develops an approach to literature which is essentially political *Resistance Literature* introduces the reader to the role of literature in the liberation movements of the developing world during the 20th Century It considers a body of writing largely ignored in the west Although the book is organized according to generic topics poetry narrative prison memoirs thematic topics and the specific historical conditions that influence the cultural and political strategies of various resistance struggles including those of Palestine Nicaragua and South Africa are brought to the fore Among the questions raised are the role of women in the developing world communication in circumstances of extreme atomization literature versus propaganda censorship and the problem of adopting literary forms identified with the oppressor culture *Sexuality and War* Evelyne Accad,1990-12-01 A courageous analysis of Arab writers addressing the connections between masculinity violence and nationalism Robin Morgan Ms Rarely have sexuality and war been treated with such poignancy and historical concreteness The force of these often intertwined phenomena endemic to the human condition are considered with incisive and wrenching specificity from within one of the most baneful convergences of sexuality and war in recent history Djelal Kadir editor *World Literature Today* Personal powerful passionate uncensored Fedwa Malti Douglas *The Journal of Women s History* A welcome departure from stereotypical nationalist conceptions from which no solutions to the current impasse can possibly emerge Joel Benin *The Middle East Report* Accad s extraordinary pacifism is deeply compelling to women as it is deeply challenging to men Andrea Dworkin A splendid book Drawing on interviews with Lebanon s village women and her close readings of Lebanon s contemporary novelists Accad manages to pull back the veil that has shrouded so many conventional nationalisms revealing their roots in men s effort to control women s sexuality Cynthia Enloe author of *Does Khaki Become You* Extraordinary in weaving together literature feminist theory and theories of war and violence Her analysis of the relationships between sexuality war and nationalism is stunning in its frankness and importance Berenice A Carroll Purdue University It is in the women s writings on the Lebanese civil war that Accad discerns alternative visions that could shape a non violent reality Miriam Cooke *The Middle East Studies* This book should remind us how patriarchies can operate similarly in societies we most often define through difference Accad s forthright critically respectful caring treatment of Lebanese lives and worlds resonates as we engage with the longterm repercussions of the Gulf War Marilyn Booth *Women s Review of Books* This compelling book offers an exploration of the indissoluble link between war and sexuality based on over twelve years of interviews by the well known Lebanese expatriate teacher critic and writer Evelyne Accad explores what she calls the indissoluble link between war and sexualtiy She refers to sexuality as the physical and psychological relations of

men and women and examines Middle Eastern customs involved in defining such relationships She argues that many of the problems faced by societies at war stem from the way male sexuality is viewed and imposed and from the oppression of women within cultural parameters For twelve years Professor Accad interviewed women throughout the Middle East about their sexuality and relationships with men On the basis of these interviews and a close study of six novels written by both men and women on the subject of the Lebanese war she explores the connection between sexuality and war and contrasts the reactions of male authors with those of their female counterparts Each author views war as having roots in sexuality Evelyne Accad concludes that there is a need for a new rapport between men and women women and women and men and men there is a need for relationships based on trust recognition of the other tenderness equal sharing and love devoid of jealousy and possession Since the personal is the political changes in relationships traditionally based on domination oppression and power games will inevitably rebound in other spheres of life *On Evelyne Accad* Cheryl Toman,2007

Scheherazade's Legacy Susan M. Darraj,2004-08-30 In a time when it seems that the gap of understanding between the West and the Middle East continues to widen Scheherazade's Legacy builds a bridge between the two cultures Collected here are the voices of those who define the genre of Arab Anglophone writing that literature that describes the cultural experiences of those with Arab identities living and often writing in the West Contributions from such writers as Naomi
