Andrews, Henry Louis Gates, 2000-01-15 This collection of landmark slave narratives demonstrates how a diverse group of writers challenged the conscience of a nation and laid the foundations of the African American literary tradition No literary genre speaks as directly and as eloquently to the brutal contradictions in American history as the slave narrative The works collected in this volume present unflinching portrayals of the cruelty and degradation of slavery while testifying to the African American struggle for freedom and dignity They demonstrate the power of the written word to affirm a person's and a people's humanity in a society poisoned by racism Slave Narratives shows how a diverse group of writers challenged the conscience of a nation and through their expression of anger pain sorrow and courage laid the foundations of the African American literary tradition This volume collects ten works published between 1772 and 1864 Narratives by James Albert Ukawsaw Gronniosaw 1772 and Olaudah Equiano 1789 recount how they were taken from Africa as children and brought across the Atlantic to British North America The Confessions of Nat Turner 1831 provides unique insight into the man who led the deadliest slave uprising in American history The widely read narratives by the fugitive slaves Frederick Douglass 1845 William Wells Brown 1847 and Henry Bibb 1849 strengthened the abolitionist cause by exposing the hypocrisies inherent in a slaveholding society ostensibly dedicated to liberty and Christian morality The Narrative of Sojourner Truth 1850 describes slavery in the North while expressing the eloquent fervor of a dedicated woman Running a Thousand Miles for Freedom 1860 tells the story of William and Ellen Craft's subversive and ingenious escape from Georgia to Philadelphia Incidents in the Life of a Slave Girl 1861 is Harriet Jacobs's complex and moving story of her prolonged resistance to sexual and racial oppression The narrative of the trickster Jacob Green 1864 presents a disturbing story full of wild humor and intense cruelty Together these works fuse memory advocacy and defiance into a searing collective portrait of American life before emancipation Slave Narratives contains a chronology of events in the history of slavery as well as biographical and explanatory notes and an essay on the texts Whose Story is It?
