Runes and Roman Letters in Anglo-Saxon Manuscripts Victoria Symons, 2016-10-24 This book presents the first comprehensive study of Anglo Saxon manuscript texts containing runic letters To date there has been no comprehensive study of these works in a single volume although the need for such an examination has long been recognized This is in spite of a growing academic interest in the mise en page of early medieval manuscripts The texts discussed in this study include Old English riddles and elegies the Cynewulfian poems charms Solomon and Saturn I and the Old English Rune Poem The focus of the discussion is on the literary analysis of these texts in their palaeographic and runological contexts Anglo Saxon authors and scribes did not of course operate within a vacuum and so these primary texts are considered alongside relevant epigraphic inscriptions physical objects and historical documents Victoria Symons argues that all of these runic works are in various ways thematically focused on acts of writing visual communication and the nature of the written word The conclusion that emerges over the course of the book is that when encountered in the context of Anglo Saxon manuscripts runic letters consistently represent the written word in a way that Roman letters do not

uncovers an essential quality of these texts In opposition to the general expectation that a successfully solved riddle will have one correct answer Neville argues that the Exeter Book riddles are written to generate multiple solutions The correct response to an Exeter Book riddle is not a single elegant solution but instead an ongoing process of interpretation that leads readers to question what they think they know Truth Is Trickiest contextualizes its readings within the larger field of Old English poetry early medieval material culture and Anglo Latin riddles The book pursues the central issue of interpretation in relation to social values craftsmanship hierarchical social structures violence irony humour and sexuality It concludes with a full list of previously proposed solutions to document the history of the ongoing argument that the Exeter Book riddles have provoked

Mr. Memory & Other Poems Phillis Levin, 2016-03-29 A Finalist for the Los Angeles Times Book Prize An intimate richly textured new collection from Phillis Levin a poet whose work shimmers with gracefulness David Baker Phillis Levin's fifth collection of poems encompasses a wide array of styles and voices while staying true to a visionary impulse sparked as much by the smallest detail as the most sublime landscape From expansive meditation to haiku in ode and epistle dream sequence and elegy Levin's new poems explore motifs deeply social and historical personal and metaphysical Their various strategies deploy the sonic powers of lyric the montage techniques of cinema and the atavistic energies of the oral tradition Throughout this volume the singularity of person place and thing and the plurality of our experience assert their uncanny presence an ash on a crackling log a character from Alfred Hitchcock's *The 39 Steps* a burgundy scarf an x ray of Bruegel's *Massacre of the Innocents* and a demitasse cup from Dresden are all woven into a collection by turns rhapsodic and ironic caustic and incantatory The pre Socratic mathematician Zeno facing the riddle of an ordinary day a cloudbank of silence a pair of second hand shoes bought for Anne Frank two crows at play above the peak of a mountain a dot flickering on the horizon intimate and philosophical these poems unveil the metamorphic properties of mind and nature
