

Generalist Social Work Practice: Features of the Approach

Generalist practice is generally considered

- **To be Integrative**, through which students learn to see beyond boundaries of separate cases, client populations and troubles, fields of practice, and levels of intervention.
- **To cross system levels and practice methods**, based on assessment to improve the person in environment interface, in which "person is a metaphor for the various size client systems."
- **To be a common base of knowledge, practice principles, and general stages of practice** used by practitioners in working with diverse populations, fields, and settings across systems and intervention levels.
- **To require complementary expertise**, including specific knowledge and skills related to particular contexts of social work practice.
- **To be nonprescriptive, nondeterministic**, including clear demand for adaptation and flexibility in its use, using critical approaches to understanding needs, contexts, and objective.

Social Work Practice A Generalist Approach

Louise C. Johnson

Social Work Practice A Generalist Approach:

Social Work Practice Louise C. Johnson, Stephen J. Yanca, 2010 This generalist social work practice text uses a strong theoretical framework for social work practice with diverse populations in both urban and rural settings The authors blend ecosystems and client centered empowerment to develop a model to working with diverse populations By using this model students will learn how to effectively work with diverse individuals families groups organizations and communities The text incorporates CSWE requirements for learning the knowledge skills and values that are the foundation of social work practice at every level of practice The two companion texts *Generalist Social Work Practice with Families* and *Generalist Social Work Practice with Groups* also use the same model to present more in depth content The group text includes generalist practice with organizations and communities Thus the trilogy of texts covers the entire generalist social work practice curriculum using the Johnson Yanca model

Social Work Practice Louise C. Johnson, 1998 On the generalist practice of social work this text includes coverage of individual interactions as well as interactions with families groups organizations and communities

Social Work Practice Louise C. Johnson, Stephen J. Yanca, 2004 This classic social work practice text blends ecosystems and strengths based approaches with a comprehensive problem solving process to form a change process social workers can use with individuals families groups organizations and communities *Social Work Practice A Generalist Approach* has always helped introductory students by providing a solid foundation for generalist social work practice It has a strong theoretical framework that reflects modern theory and methods used in social work practice today The Eighth Edition builds on the previous edition by developing a stronger focus on strengths and empowerment with diverse populations and a greater emphasis on the environment

Generalist Social Work Practice with Groups Stephen J. Yanca, Louise C. Johnson, 2009 Examining all aspects of group work that generalist social workers are likely to encounter *Generalist Social Work Practice with Groups* uses a practical and applied approach to show how to effectively form and facilitate groups It is the third in a series of generalist texts by Stephen Yanca and Louise Johnson that uses the authors generalist model with individuals families groups organizations and communities

Generalist Social Work Practice Karla Krogsrud Miley, Michael W O'Melia, Brenda L. DuBois, 2012-01-17 An empowerment based method of social work which integrates core themes of the profession This text is part of the Connecting Core Competencies Series *Generalist Social Work Practice* 7th edition fully integrates core social work themes of collaboration the strengths perspective values and ethics social justice and human rights evidence based practice cultural competence and policy practice This text offers a progressive practice approach grounded in social work research reflective of social work values sensitive to client diversity and applicable to work with any level of client system including individuals families groups organizations and communities Beginning with engaging clients as partners and continuing with assessing intervening and evaluating from a strengths perspective this approach offers social workers a method that fully realizes core social work values respects client competence and activates client

resources within the context of their lives All parts of the practice process are described in detail connected to social work theory illustrated with case examples and supported with evidence from social work research Each chapter focuses on teaching the knowledge values and skills reflective of the core competencies and correlated practice behaviors as described in the 2008 Educational Policy and Accreditation Standards EPAS A better teaching learning experience This program will provide a better teaching and learning experience for you and your students Here s how Personalize Learning MySearchLab delivers proven results in helping students succeed provides engaging experiences that personalize learning and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals Improve Critical Thinking Teaches students specific strategies to identify and use client strengths in their practice Engage Students Offers numerous case examples to apply the empowerment method to all levels of social work with diverse clients and situations and across fields of practice Explore Current Issues Includes new practice research findings and updates to demographics to ensure currency Apply CSWE Core Competencies The text integrates the 2008 CSWE EPAS with critical thinking questions and practice tests to assess student understanding and development of competency Support Instructors An Instructor s Manual and Test Bank Computerized Test Bank MyTest BlackBoard Test Item File MySearchLab with Pearson eText and PowerPoint presentations are included in the outstanding supplements package Note MySearchLab does not come automatically packaged with this text To purchase MySearchLab please visit www.mysearchlab.com or you can purchase a valuepack of the text MySearchLab at no additional cost ValuePack ISBN 10 0205222994 ValuePack ISBN 13 9780205222995

Social Work Practice Louise C. Johnson,Carol D. Austin,Robert W. McClelland,2000 Designed for use in Introduction to Social Work or any course which introduces students to both practice and policy in social work The generalist approach currently dominates social work practice This approach involves viewing intervention at the level of policy community and client as parts of a whole system Johnson s text thoroughly and clearly surveys the profession and practice through this paradigm The Canadian edition highlights important examples issues and policy in Canada

Social Work Practice Johnson,Yanca,2003-06-01 **Social Work Practice** Louise C. Johnson,1985 *Generalist Social Work Practice* Karla Krogsrud Miley,Michael O'Melia,Brenda DuBois,1998 These authors reconnect contemporary social work with its values purpose ethics and practice roots by integrating the current themes of strength empowerment and the ecosystems perspective into a practice process that has applications across all levels of client systems and all fields of practice This book uses a generalist approach to social work by offering practice processes that are appropriate to client systems of all sizes individuals families groups organizations and emphasizes client strengths as an integral part of the process

Advanced Generalist Social Work Practice David S. Derezotes,1999-11-10 This book describes an advanced generalist approach to direct social work practice with individuals couples families and groups Intervention paradigms that include psychodynamic cognitive behavioral communications experiential humanistic existential and transpersonal are presented as the four sources

of social work **Social Work Practice** Louise C. Johnson,1997-08 *Generalist Social Work Practice* Elizabeth M. Timberlake,Michaela Zajicek Farber,Christine Anlauf Sabatino,2008 This well known and widely used text is intended to provide entry level professional social workers with a foundation of knowledge and values needed to practice from a generalist perspective focusing on culturally competent ethical effective and accountable generalist social work practice skills This thoroughly revised edition explores the strengths based problem solving approach in all phases of the General Method moving away from a deficit perspective towards an asset resource perspective The Practice of Generalist Social Work Julie Birkenmaier,Marla Berg-Weger,2017-05-25 Straight Talk about Interventions Unexpected Events and Ongoing Evaluation Generalist Social Work Practice Karla Krogsrud Miley,Michael W. O'Melia,Brenda L. DuBois,2016-02-22 A firm foundation for understanding empowerment focused social work engaging clients conducting solution oriented assessment and implementing evaluating and stabilizing change This widely popular resource provides a firm foundation for understanding empowerment focused social work engaging clients conducting solution oriented assessment and implementing evaluating and stabilizing change It demonstrates a progressive practice approach that is grounded in social work research reflective of social work values sensitive to client diversity and applicable to working with any level of client system including individuals families groups organizations and communities General Social Work Practice gives readers a method that fully realizes core social work values respects client competence and activates client resources within the context of their lives beginning with engaging clients as partners and continuing with assessing intervening and evaluating from a strengths perspective Thoroughly up to date the book includes relevant information on contemporary trends in social work practice revisions of the popular critical thinking questions consistent with the Council on Social Work Educations CSWE current core competencies and practice behaviors and new links to e resources to promote student learning and assessment **The Generalist Approach to Conflict Resolution** Toran Hansen,2012-12-21 This book outlines the generalist approach to conflict resolution The approach was inspired by the generalist approach to social work but has now emerged in the fields of conflict resolution and peace studies Essentially the approach considers conflict resolution practice and scholarship very broadly Generalist scholarship and practice are contrasted against specialized ways of conducting conflict resolution whereby practitioners become well versed in one mode of practice or a specific theoretical orientation to scholarship Several theories provide a foundation for this inclusive approach conflict transformation eco systemic scholarship the strengths perspective and a new theory of social conflict the theory of differences The generalist approach is intended to provide a way for conflict resolution and peace studies scholar practitioners to help diverse parties address complex conflicts at various levels personal to international Generalist scholar practitioners assist parties to comprehensively and holistically address these conflicts in a multi layered multi level fashion but they must be comfortable with ambiguity monitor intervention complexity and give parties control over how their conflicts are addressed Ultimately this may make parties

more committed to their conflict interventions and outcomes

Applying Theory to Generalist Social Work Practice

Carol L. Langer, Cynthia Lietz, 2014-11-25 The social worker's guide to integrating theory and practice Applying Theory to Generalist Social Work Practice teaches aspiring social workers how to apply theory in real world practice Fully aligned with the Council on Social Work Education's 2015 Educational Policy and Accreditation Standards the book links theory to practice with clear concise instruction including a discussion of evidence based practice Twelve commonly used theories are thoroughly explained with discussion of the strengths and limitations of each and applied to real work with individuals groups families communities and organizations The book includes case studies and first person contributions from practicing social workers to illustrate the real world scenarios in which different concepts apply Critical thinking questions help students strengthen their understanding of the ideas presented Tools including a test bank PowerPoint slides and an instructor's manual are available to facilitate classroom use providing a single volume guide to the entire helping process from engagement to termination Practice is a core foundational course for future social workers but many practice texts focus on skills while neglecting the theoretical basis for social work Applying Theory to Generalist Social Work Practice fills that gap by covering both skills and theory in a single text Examines the applications of prevailing social theories Covers the most common theories used in micro mezzo and macro practice Helps readers understand well established approaches like strengths perspective humanistic and client centered task centered and solution focused brief therapy Shows how to apply major theories including ecological system cognitive behavioral conflict empowerment narrative crisis critical and feminist An effective social worker recognizes the link between theory and practice and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client Applying Theory to Generalist Social Work Practice provides students with a roadmap to the full integration of philosophy and application in social work

Social Work Practice With Individuals, Families, and Groups Shelagh Jane Larkin, Jaylene Krieg Schaefer, 2025-01-06 Social Work Practice with Individuals Families and Groups An Integrated Approach serves as a foundational text that supports students through effective practice with multiple levels of client systems from the classroom to the profession Authors Shelagh Jane Larkin and Jaylene Krieg Schaefer have integrated the practicum experience throughout the core chapters emphasizing its role as the first area of social work practice Developed with both BSW and foundational MSW programs in mind this text offers an accessible exploration of social work practice with individuals families and groups through diverse case studies and practical examples aligned with the 2022 EPAS core competencies

The Practice of Generalist Social Work Marla Berg-Weger, Julie Birkenmaier, 2017-01-12 The fourth edition of The Practice of Generalist Social Work continues to teach students to apply micro macro and mezzo social work skills This new edition strengthens the connection between the three levels of practice and is fully updated to the 2015 EPAS This edition also contains more illustrations of theory and more context for deciding which type of intervention is a good fit Most chapters now open with a case study and continually refer

back to the case to provide additional connections between theory and real life practice Each chapter also incorporates a link to a Grand Challenge of Social Work from the American Academy of Social Work and Social Welfare which shows the connection between social work and the most significant societal challenges of today The Quick Guides within the text offer students guidance for their field experience and practice after graduation The text also comes with a rich companion website that includes support materials and six unique cases that encourage students to learn by doing Go to www.routledgesw.com to explore the cases and additional resources

Generalist Social Work Practice Charles H. Zastrow, Sarah L. Hessenauer, 2020-12-30 Generalist Social Work Practice presents the knowledge values and skills needed for entry level social work practice with individuals groups families organizations and communities The text describes a variety of approaches to social work practice including assessment intervention and evaluation A large number of skill building exercises are included so that readers can practice applying theoretical concepts This book provides the theoretical and practical knowledge needed for students to become change agents

Generalist Social Work Practice Janice Gasker, 2023-02-12 Generalist Social Work Practice provides students with the foundational skills and knowledge needed to serve clients across micro mezzo and macro areas of practice Author Janice Gasker engages students through evidence based pedagogy self reflection opportunities application and reinforcement of concepts and an abundance of critical thinking sections including profession practice standards such as the 2018 NASW Code of Ethics and 2022 EPAS Updates to the Second Edition include an emphasis on Critical Race Theory greater coverage of issues related to race and intersectionality and a new section on institutional racism in social work Included with this title LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site Learn more
