Sugar Rush Yolonda Coleman,2005-06-09 Darlene Dolly Hunter is comfortable in her world of work and friends The only thing a man could do for me was wine me dine me romance me and leave me alone Known as Spider Woman among her friends and family she s mesmerized by the new bait on the stage of Blackplatinum Cafe Gerald Blacksax Washington stands in the center of her life and changes the world around her *Quixotic Reveries* Yashna Kumar,2020-04-22 Woolgathering may be frowned upon and even discouraged but don t you think that it is in our daydreams that we are brave enough to conjure up the impossible and fuel our actions in the real world If you choose to read *Quixotic Reveries* you will see that what appear to be fanciful daydreams are latent truths that will help you ponder deeply about yourself your mind the society you live in and the what it means to be a human being on this bluish green celestial body we call Earth This book is a collection of whimsical ideas that if one considers carefully reveal the harsh realities we are forced to encounter By choosing to read this book you are choosing to embark on a journey differentiate between the pretty lies and the ugly truth and finding the courage to lose yourself in flagrant daydreams that may hold the secrets the universe is whispering to you every second of your existence *FOLLOW THE SILENCE: poems of passion and conscience Vol. 1* Charles Edward York,2018-05-02 *FOLLOW THE SILENCE* poems of passion and conscience Vol 1 explores love and erotica as well as politics and social justice This volume is the first half of his complete work of poetry of 770 poems **Black Women's Liberation Movement Music** Reiland Rabaka,2023-10-30 *Black Women s Liberation Movement Music* argues that the Black Women s Liberation Movement of the mid to late 1960s and 1970s was a unique combination of Black political feminism Black literary feminism and Black musical feminism among other forms of Black feminism This book critically explores the ways the soundtracks of the Black Women s Liberation Movement often overlapped with those of other 1960s and 1970s social political and cultural movements such as the Black Power Movement Women s Liberation Movement and Sexual Revolution The soul funk and disco music of the Black Women s Liberation Movement era is simultaneously interpreted as universalist feminist in a general sense and Black female focused This music s incredible ability to be interpreted in so many different ways speaks to the importance and power of Black women s music and the fact that it has multiple meanings for a multitude of people Within the worlds of both Black Popular Movement Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women s music of the mid to late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women s Liberation Movement However this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very unpopular and unsung movement The Black Women s Liberation Movement *Black Women s Liberation Movement Music* is an invaluable resource for students teachers and researchers of Popular Music Studies American Studies African American Studies Critical Race Studies Gender Studies and Sexuality Studies **The Horn Book Guide to Children's and Young Adult Books**

Black Power Music! Reiland Rabaka, 2022-06-13 Black Power Music Protest Songs Message Music and the Black Power Movement critically explores the soundtracks of the Black Power Movement as forms of movement music That is to say much of classic Motown soul and funk music often mirrored and served as mouthpieces for the views and values as well as the aspirations and frustrations of the Black Power Movement Black Power Music is also about the intense interconnections between Black popular culture and Black political culture both before and after the Black Power Movement and the ways in which the Black Power Movement in many senses symbolizes the culmination of centuries of African American politics creatively combined with and ingeniously conveyed through African American music Consequently the term Black Power music can be seen as a code word for African American protest songs and message music between 1965 and 1975 Black Power music is a new concept that captures and conveys the fact that the majority of the messages in Black popular music between 1965 and 1975 seem to have been missed by most people who were not actively involved in or in some significant way associated with the Black Power Movement
