Professional Nursing Beth Perry Black,2013-01-24 Rev ed of Professional nursing Kay Kittrell Chitty Beth Perry Black 6th ed c2011 **Nine to Five** Edward Balkovich,Tora K. Bikson,Gordon Bitko,2005 Describes a case study of six enterprises that use Radio Frequency Identification RFID tags to control access in the workplace to understand their policies about personally identifiable records obtained by sensing RFID based access cards These policies have a number of common features but the policies are neither documented nor shared with employees While employees ought to be informed about uses of access control system records implementing traditional fair information practices for such records would be impractical in some situations *Faith-Based Influences on Legislative Decision Making: Emerging Research and Opportunities* Drenner, Karla L.,2021-11-19 In recent years state legislatures in the United States have been transformed based on the social identities of their membership At its most fundamental level the debate over LGBTQ rights always has

been a debate over the right of LGBTQ people to exist While the role faith plays in legislative decision making is rooted within government functions careful examination and change must be conducted to protect the humanity of those at risk through these influences Faith Based Influences on Legislative Decision Making Emerging Research and Opportunities explores the balance between religious freedoms of legislators and the human rights of members of the LGBTQ community Examining the politics and institutional forces brought to bear on LGBTQ claims for visibility recognition and dignity this book is organized into three sections each of which uses a distinct institutional lens historical legal and religious The author attempts to demonstrate that while the clash of cultures between these groups is real it is not simple The faith worldviews of each share common structural features but often reach extremely different conclusions Covering topics such as marriage equality religious liberty and court cases this book is an essential resource for students and educators in political science policymakers legislators historians sociologists researchers universities administrations community leaders and academicians

Management of Broadband Technology and Innovation Jyoti Choudrie, Catherine Middleton, 2013-11-12 When one considers broadband the Internet immediately springs to mind However broadband is impacting society in many ways For instance broadband networks can be used to deliver healthcare or community related services to individuals who don't have computers have distance as an issue to contend with or don't use the internet Broadband can support better management of scarce energy resources with the advent of smart grids enables improved teleworking capacity and opens up a world of new entertainment possibilities Yet scholarly examinations of broadband technology have so far examined adoption usage or diffusion but missed exploring the capacity of broadband networks to enable new applications the management aspects of

funding and developing broadband enabled services or the policy environment in which such networks are developed This book explores a wide range of issues associated with the deployment and use of broadband including its impacts on individuals organizations and society and offers a generalist understanding of the technical aspects of broadband Management of Broadband Technology and Innovation offers insights on broadband from the perspectives of Information Systems Management Strategy and Communications Policy scholars drawing on research from these disciplines to inform diverse aspects of broadband deployment policy and use Issues associated with a subject technical in nature but now researched in many ways are emphasised This book explains various softer aspects of broadband deployment and use focusing on the benefits of broadband rather than on details of the technology

"*Jesus Saved an Ex-Con*" Edward Orozco Flores, 2018-10-16 An examination of the efforts of faith based organizations to expand the rights of the formerly incarcerated The use of religion to rehabilitate and redeem formerly incarcerated individuals has been a cultural touchstone of the modern era Yet religious outreach to those with criminal records has typically been associated with an emphasis on private spirituality with efforts focused on repentance conversion and restorative justice This book sheds light on how faith based organizations utilize the public arena mobilizing to expand the social and political rights of former inmates In *Jesus Saved an Ex Con* Edward Orozco Flores profiles Community Renewal Society and LA Voice two faith based organizations which have actively waged community organizing campaigns to expand the rights of people with records He illuminates how these groups help the formerly incarcerated re enter broader communities through the expansion of citizenship rights and participation in civic engagement Most work on prisoner reentry has focused on how the behavior of those with records may be changed through interventions rather than considering how those with records may change the society that receives them Flores explores how the formerly incarcerated use redemption scripts to participate in civic engagement to remove the felony conviction question from employment applications and to restrict the use of criminal background checks in housing and employment He shows that people with records can redeem themselves while also challenging and changing the way society receives them
