Sukhovei Vospominaniia Genetika

Benjamin Nathans

Sukhovei Vospominaniia Genetika:

Evgeny Boratynsky and the Russian Golden Age Anatoly Liberman, 2020-03-07 Evgeny Boratynsky and the Russian Golden Age is the first translation of nearly all the lyrics by Evgeny Boratynsky 1800 1844 one of the greatest poets of the Golden Age of Russian poetry The translation retains the meter and rhyming of the original The commentary following each work provides the necessary background information and often includes translations from the works of Boratynsky s contemporaries and of later poets Boratynsky is thus presented against the background of contemporary poetry both Russian and French and as an influence on later poets The book opens with a long introduction on Boratynsky s life and achievements as well as an analysis of the previous translations of his works into English Two indexes of names and of subjects help the reader to navigate through the poet s world and works

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes

Science Policy in the Soviet Union Stephen Fortescue, 2024-11-26 Science Policy in the Soviet Union 1990 examines the major institutional and behavioural aspects influencing scientific research in the USSR The book adopts the widespread view that Soviet science performs well below capacity and then looks at the institutions and management in the light of this assumption Low morale and a lack of moral responsibility within the scientific community are highlighted as factors in the poor performance of Soviet science these being compounded by the problems of centralization and the lack of responsiveness to new demands technologies and ideas The author sees de centralisation as a potential solution concluding with a commentary on Gorbachev the obstacles he faced and his awareness of the need for change in the scientific sphere

The Communist Party and Soviet Science Stephen Fortescue, 1986-06-18

A Normal Totalitarian Society Vladimir Shlapentokh, 2017-07-05 Shlapentokh undertakes a dispassionate analysis of the ordinary functioning of the Soviet system from Stalin s death through the Soviet collapse and Russia s first post communist decade Without overlooking its repressive character he treats the USSR as a normal system that employed both socialist and nationalist ideologies for the purposes of technological and military modernization preservation of empire and expansion of its geopolitical power Foregoing the projection of Western norms and assumptions

he seeks to achieve a clearer understanding of a civilization that has perplexed its critics and its champions alike

Literary Exorcisms of Stalinism Margaret Ziolkowski, 1998 A study of the cultural implications of portraits of Stalin and his era since his death in 1953 This work explores the cultural implications of prominent images in Russian thought and literature devoted to the Stalin era since the dictator's death in 1953 Author of the works discussed include some of the most important Russian writers of the past four decades Solzhenitsyn Vasilii Grossman Vladimir Voinovich Anatolii Rybakov among others

Rethinking the Soviet Experience Stephen F. Cohen, 1986-01-16 This wide ranging volume cuts through Cold War stereotypes of the Soviet Union to arrive at fresh interpretations of that country's traumatic history and its present day political realities Replacing simplistic explanations of Soviet development Cohen challenges the popular view of the USSR as a totalitarian monolith and examines the possibilities for change that exist within the Soviet system today

The Gumilev Mystique Mark Bassin, 2016-02-04 Since the collapse of the Soviet Union the legacy of the historian ethnographer and geographer Lev Nikolaevich Gumilev 1912 1992 has attracted extraordinary interest in Russia and beyond The son of two of modern Russia's greatest poets Nikolai Gumilev and Anna Akhmatova Gumilev spent thirteen years in Stalinist prison camps and after his release in 1956 remained officially outcast and professionally shunned Out of the tumult of perestroika however his writings began to attract attention and he himself became a well known and popular figure Despite his highly controversial and often contradictory views about the meaning of Russian history the nature of ethnicity and the dynamics of interethnic relations Gumilev now enjoys a degree of admiration and adulation matched by few if any other public intellectual figures in the former Soviet Union He is freely compared to Albert Einstein and Karl Marx and his works today sell millions of copies and have been adopted as official textbooks in Russian high schools Universities and mountain peaks alike are named in his honor and a statue of him adorns a prominent thoroughfare in a major city Leading politicians President Vladimir Putin very much included are unstinting in their deep appreciation for his legacy and one of the most important foreign policy projects of the Russian government today is clearly inspired by his particular vision of how the Eurasian peoples formed a historical community In *The Gumilev Mystique* Mark Bassin presents an analysis of this remarkable phenomenon He investigates the complex structure of Gumilev's theories revealing how they reflected and helped shape a variety of academic as well as political and social discourses in the USSR and he traces how his authority has grown yet greater across the former Soviet Union The themes he highlights while untangling Gumilev's complicated web of influence are critical to understanding the political intellectual and ethno national dynamics of Russian society from the age of Stalin to the present day

To the Success of Our Hopeless Cause (Pulitzer Prize Winner) Benjamin Nathans, 2025-09-02 WINNER OF THE 2025 PULITZER PRIZE A riveting history Wall Street Journal of the Soviet dissident movement which hastened the end of the USSR and still provides a model of opposition in Putin's Russia and beyond A book about a past time that is very much a book for our time A story from which we all stand to learn as we face a new wave of authoritarianism Los Angeles Review of Books

Beginning in the 1960s the Soviet Union was unexpectedly confronted by a dissident movement that captured the world's imagination. Demanding that the Kremlin obey its own laws, an improbable band of Soviet citizens held unauthorized public gatherings, petitioned in support of arrested intellectuals, and circulated banned samizdat texts. Soviet authorities arrested dissidents, subjected them to bogus trials, and vicious press campaigns sentenced them to psychiatric hospitals and labor camps, sent them into exile, and transformed them into martyred heroes. Against all odds, the dissident movement undermined the Soviet system and hastened its collapse. Taking its title from a toast made at dissident gatherings, *To the Success of Our Hopeless Cause* is a definitive history of a remarkable group of people who helped change the twentieth century. Benjamin Nathans's vivid narrative tells the dramatic story of the men and women who became dissidents, from Nobel laureates Andrei Sakharov and Alexander Solzhenitsyn to many others who are virtually unknown today. Drawing on diaries, memoirs, personal letters, interviews, and KGB interrogation records, *To the Success of Our Hopeless Cause* reveals how dissidents decided to use Soviet law to contain the power of the Soviet state. This strategy, as one of them put it, was simple to the point of genius: in an unfree country, they began to conduct themselves like free people. An extraordinary account of the Soviet dissident movement, *To the Success of Our Hopeless Cause* shows how dissidents spearheaded the struggle to break free of the USSR's totalitarian past, a struggle that continues in Putin's Russia, and that illuminates other struggles between hopelessness and perseverance today.

The Whisperers Orlando Figes, 2008-11-25 From the award-winning author of *A People's Tragedy* and *Natasha's Dance*, a landmark account of what private life was like for Russians in the worst years of Soviet repression. There have been many accounts of the public aspects of Stalin's dictatorship: the arrests and trials, the enslavement and killing in the gulags. No previous book, however, has explored the regime's effect on people's personal lives, what one historian called the Stalinism that entered into all of us. Now, drawing on a huge collection of newly discovered documents, *The Whisperers* reveals for the first time the inner world of ordinary Soviet citizens as they struggled to survive amidst the mistrust, fear, compromises, and betrayals that pervaded their existence. Moving from the Revolution of 1917 to the death of Stalin and beyond, Orlando Figes recreates the moral maze in which Russians found themselves, where one wrong turn could destroy a family or perversely end up saving it. He brings us inside cramped communal apartments where minor squabbles could lead to fatal denunciations; he examines the Communist faithful who often rationalized even their own arrest as a case of mistaken identity; and he casts a humanizing light on informers, demonstrating how in a repressive system anyone could easily become a collaborator. A vast panoramic portrait of a society in which everyone spoke in whispers, whether to protect their families and friends or to inform upon them, *The Whisperers* is a gripping account of lives lived in impossible times.

Stalin In Power Robert C. Tucker, 1992-05-05 Explains the motivations, personality, and actions of the man under whose rulership millions of Russians perished.

Khrushchev: The Man and His Era William Taubman, 2004-03-30 Tells the life story of twentieth-century Soviet leader Nikita Khrushchev, featuring information from previously inaccessible Russian and

Ukrainian archives Writing Women's History Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history *Review of Russian Emigré Books*, 1986 *Slavic Review*, 1986 Coverage of Russian Eurasian and East European issues *Free Voices in Russian Literature, 1950s-1980s* Bosiljka Stevanovic, Vladimir Wertsman, 1987

Women & Gender in Central and Eastern Europe, Russia, and Eurasia: Russia, the non-Russian peoples of the Russian Federation, and the successor states of the Soviet Union Mary Fleming Zirin, 2007 **Women in Russia and the Soviet Union**, 1988 **Boris Pasternak** Lazar' Fleishman, 1990 Boris Pasternak has generally been regarded as an artist who was indifferent to the literary and political storms of his time Lazar Fleishman gives the great writer's life a new perspective He shows that Pasternak's entire literary career should be regarded as a complex and passionate response to constant changes in Russian cultural and social life Drawing on a vast array of sources Fleishman's chronicle encompasses both the familiar and the little known aspects of the poet's life and work He describes the formative role played by Pasternak's father a prominent Russian painter and the intellectual endeavors of the young man before his literary debut He explores the intricate relations of Pasternak to the main movements of literary modernism including symbolism and futurism Particularly informative are the chapters devoted to the postrevolutionary years Fleishman untangles the poet's contacts with leading political figures Stalin Trotsky Bukharin and fellow writers Gorky Mayakovsky Tsvetaeva Akhmatova Mandelshtam and examines his changes in fortune during the purges and World War II He shows how Pasternak was perceived by Western contemporaries and how significant their moral support was for him during the darkest years of Stalin's regime He provides explanations for the Christian themes in Pasternak's later work as well as the poet's peculiar view of Jewry Finally Fleishman recreates the vicissitudes of the publication of *Doctor Zhivago* and the ensuing Nobel Prize scandal in 1958 A fascinating description of the writer's career in broad context this book will be welcomed by everyone interested in Pasternak and in twentieth century literature **Historical Abstracts**, 1986
