The New Webster-Cooley Course in English ... Alice Woodworth Cooley,William Franklin Webster,1909 **You Should Have Been There** Richard Norton,2016-01-15 So many people have told me I should write a book because I almost always could come up with a true story for most any situation happening So I am succumbing to all the prompting and writing down the many stories I have stored in me It s impossible to just sit down and write everything at once I have to wait until an event happens that triggers my memory For instance when I was in the army I recorded many of the happenings of army life that I thought funny or unusual Stories I write will mostly be about other people that happened into my life and not necessarily about me but I was there an observer as much as a participant I ve relied on the opinions of generous friends who think my stories are worthwhile I m fortunate to have crossed paths with many luminaries and have been exposed to lots of humanity both good and bad I went from high school into army intelligence for three years during the Korean War After being

discharged I attended Wayne State University for one year and sold cars for a short while Then I went to the Chrysler Engineering Institute I graduated from Chrysler and became a body design engineer After a while big layoffs got me looking for employment again and I went to work as a mechanical engineer for several years at companies that were into the space programs I drifted into acting and modeling and was one of the most working models around Detroit I was in over one hundred movies and TV commercials in that career for nineteen years and worked all over the country In 1980 I moved to the Palm Beach area in Florida and after a short time engineering again was hired as a salesman at one of the largest art galleries in the world I spent sixteen years at the gallery and then retired as part owner In retirement now I occupy my time painting golfing and cruising around the waters in my boat This book is about the unusual happenings in my varied life and of the many famous people I met and worked with Every story is true and written as best I can recollect **Tusaayaksat -**
