Dictionary of Phrase and Fable Ebenezer Cobham Brewer,1895 **Dictionary of Phrase and Fable, Giving the Derivation, Source, Or Origin of Common Phrases, Allusions, and Words that Have a Tale to Tell** Ebenezer Cobham Brewer,1895 *Literary News* ,1884 **140 All-Time Must-See Movies for Film Lovers Now Available On DVD** John Howard Reid,2012-05-01 John Howard Reid s books are not only noted for the wealth of essential information he provides on each film he discusses but for the insight and clarity of his reviews Reid has been reviewing films professionally since 1955 and has contributed an enormous amount of material to newspapers and magazines in England France Australia and the USA In the course of his work Reid has come into contact with many famous stars and directors and is often able to provide quotes and information that no other sources can duplicate As a reviewer for one of Reid s previous books rightly pointed out Nobody does it better than John Howard Reid In fact Reid often provides far more information than the titles of his books suggest 140 All Time Must See Movies is a typical case The book actually provides full details and reviews for 160 feature films plus brief comments on over 30 shorts *Katharine Hepburn* Andrew Britton,2003 Of all the major Hollywood stars Katharine Hepburn was the least conventional conforming to none of the stereotypes of female superstardom She was not an exotic outsider in Hollywood like Greta Garbo or Marlene Dietrich nor was she a victim of the studios like Judy Garland or Marilyn Monroe and she was certainly not a creature of the system like Joan Crawford and Lana Turner Instead she always appeared intelligent willful and independent able to develop her own persona within the confines of the studio system Andrew Britton proposes a feminist reading of Hepburn s films arguing that her persona raises problems about class female sexuality and women s oppression that strain to the limits the conventions of a cinema ultimately committed to the reassertion of bourgeois gender roles Hepburn s work is also used to explore more general issues such as the functioning of the star system This is one of the very few analyses of American cinema to focus on a film star rather than a director or a genre and as such is essential reading for anyone interested in the movies First published in the United Kingdom twenty years ago this lavishly illustrated new edition features a foreword by the noted film critic Robin Wood **From the Dark Side** A. Shakur Towns,Whirlwind Publishing,2008-07-01 *The Newfoundland Diaspora* Jennifer Bowering Delisle,2013-06-01 Out migration driven by high unemployment and a floundering economy has been a defining aspect of

Newfoundland society for well over a century and it reached new heights with the cod moratorium in 1992 This Newfoundland diaspora has had a profound impact on the province's literature Many writers and scholars have referred to Newfoundland out migration as a diaspora but few have examined the theoretical implications of applying this contested term to a predominantly inter provincial movement of mainly white economically motivated migrants The Newfoundland Diaspora argues that diaspora helpfully references the painful displacement of a group whose members continue to identify with each other and with the homeland It examines important literary works of the Newfoundland diaspora including the poetry of E J Pratt the drama of David French the fiction of Donna Morrissey and Wayne Johnston and the memoirs of David Macfarlane These works are the sites of a broad inquiry into the theoretical flashpoints of affect diasporic authenticity nationalism race and ethnicity The literature of the Newfoundland diaspora both contributes to and responds to critical movements in Canadian literature and culture querying the place of regional national and ethnic affiliations in a literature drawn along the borders of the nation state This diaspora plays a part in defining Canada even as it looks beyond the borders of Canada as a literary community *The Well of Wishing* Joy LeDoux, 2011-11-02 Meet Heather Becky and Rachel foster teens who have become a file a case a problem for the System Add five year old May a sweet cherub with a Cruella mother Each has her own private hell of heartbreaking backgrounds Knowing they have to say good bye just as they start to feel comfortable these girls seek trustworthy friendship as well as acceptance and a place to belong Their foster home headed by a no nonsense matriarch and her easy going husband is a safe place for them to try to make sense out of their fragmented lives and develop resiliency to meet life's blows but trusting and caring for one another is easier said than done First in a series of three this book reveals an inside view of child rearing in The System with a touch of mystery emanating from the abandoned shanty in the woods and the fairy tale wonder of a horse ranch called Haven Follow Heather's remarkable journey to cope with the taunts of the in crowd at a small town school and to shed her burden of shame which has come about from circumstances beyond her control Explicit language **Rajpal Dictionary Of English Idioms & Phrases** Shori, A K, 2010

David Lean Lydia Goehr, 2025-07-10 David Lean's extraordinary films work philosophically through the modern reproductive and transportive technologies of sight and sound through trains planes ships and automobiles from one perspective and through the modern technology of the radio and gramophone from another Lean's musical motifs are known worldwide Lara's theme in *Zhivago* the Colonel Bogey March in *Kwai* Estella's motif in *Great Expectations* Rosy's motif in *Ryan's Daughter* Lawrence's motif for his adventure in Arabia and of course Rachmaninoff's pounding chords in *Brief Encounter* When however Lean described his cutting of pictures as akin to how music flows through pictures what sort of music or musicality had he in mind a classical or popular music or a way of using musical form to mix up the meaning and material of his films Lydia Goehr's new book tracks the soundscape in Lean's films not only through the musical scores composed for the films but also and more through the technology of radio and gramophone that at the start of Lean's career

were becoming indispensable household items for the home The book begins and ends with a motif running from the early more domestic films locally situated in the English home to the later more extensive epics of colony commonwealth and empire The fidelity infidelity relationship defined by marriage extends to the loyalty betrayal relationship regarding countries of war and peace after which this relationship is extended to the witty British manner of making film as a perfected and not so perfected symphonic work of a great cutter's art Here as few other books on Lean have emphasized the influence of Noel Coward on Lean cannot be overestimated *One Hot Summer (A Romance Novella)* Niobia Bryant, 2022-07-24 Nylah Love

Lovely swore she would never date another celebrity after a divorce that played out in the press and tabloids because of her ex husband's fame But then she meets Maleek Trenton He's handsome sexy fun and a famous athlete Still he excites her and treats her like no one ever during their whirlwind summer romance Life with Maleek is so good until the intrusion into their lives by paparazzi groupies and a woman claiming that Maleek is her man Nylah struggles to believe the man she loves when this mystery woman knows way too much about him But something about it all just isn't right Will Nylah believe in her love and choose what feels right or let it be destroyed before it even really begins Please note *One Hot Summer* was originally published in the anthology *HEAT WAVE* *The Wire Primers* Rob Young, 2009-11-03 Since it was founded in 1982 The Wire magazine has covered a vast range of alternative experimental underground and non mainstream music Now some of that knowledge has been distilled into *The Wire Primers* a comprehensive guide to the core recordings of some of the most visionary and inspiring subversive and radical musicians on the planet past and present Each chapter surveys the musical universe of a particular artist group or genre by way of a contextualizing introduction and a thumbnail guide to the most essential recordings A massive and eclectic range of music is celebrated and demystified from rock mavericks such as Captain Beefheart and The Fall the funk of James Brown and Fela Kuti the future jazz of Sun Ra and Ornette Coleman and the experimental compositions of John Cage and Morton Feldman Genres surveyed and explained include P funk musique concrète turntablism Brazilian Tropicália avant metal and dubstep *The Wire Primers* is a vital guide to contemporary sounds providing an accessible entry point for any reader wanting to dig below the surface of mainstream music **David Lean** Howard Maxford, 2014-10-30 Oscar winning director David Lean was responsible for some of the most enduring images in British cinema including the romantic clinches between Trevor Howard and Celia Johnson in *Brief Encounter* and Pip's memorable dash across the marshes in *Great Expectations* Lean became renowned for his visual epics painting the cinematic screen in such films as *The Bridge on the River Kwai* *Lawrence of Arabia* and *Doctor Zhivago* Yet despite the large canvas of these masterpieces Lean never lost sight of the human story within them In his study of Lean's career Howard Maxford takes behind the scenes look at each of the director's films chronicling their making and their subsequent reception by both audiences and critics Lean's early work as a film editor which led to his commission by Noel Coward to co-direct the landmark war drama *In Which We Serve* is examined along with Lean's self-imposed 14 year exile after a savage reception from critics

to his penultimate film His exile ended triumphantly with the release of a Passage to India Lean the man away from the camera is also revealed including his six marriages and his strict Quaker upbringing An informative critical guide this David Lean companion offers a detailed examination of the work of one of cinema's true greats **David Lean** Melanie Williams, 2016-05-16 A rule of mine is this said William Goldman in 1983 there are always three hot directors and one of them is always David Lean One of the best known and most admired of British film makers David Lean had a directorial career that spanned five decades and encompassed everything from the intimate black and white romance of Brief Encounter 1945 to the spectacular Technicolor epic of Lawrence of Arabia 1962 This book offers comprehensive coverage of every feature film directed by Lean yielding new insights on the established classics of his career as well as its lesser known treasures Its analysis prioritises questions of gender and emphasises the often overlooked but highly significant recurrence of female centred narratives throughout Lean's career Drawing extensively on archival historical materials while also presenting nuanced close readings of individual films David Lean offers a fascinating and original account of the work of a remarkable British film maker Beyond the Epic Gene D. Phillips, 2006-11-24 Two time Academy Award winner Sir David Lean 1908 1991 was one of the most prominent directors of the twentieth century responsible for the classics The Bridge on the River Kwai 1957 Lawrence of Arabia 1962 and Doctor Zhivago 1965 British born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history but he started out as a talented film editor and director in Great Britain As a result he brought an art house mentality to blockbuster films Combining elements of biography and film criticism Beyond the Epic The Life and Films of David Lean uses screenplays and production histories to assess Lean's body of work Author Gene D Phillips interviews actors who worked with Lean and directors who knew him and their comments reveal new details about the director's life and career Phillips also explores Lean's lesser studied films such as The Passionate Friends 1949 Hobson's Choice 1954 and Summertime 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean's approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean's successful adaptations of famous works of literature including retellings of plays such as Brief Encounter 1945 and novels such as Great Expectations 1946 Oliver Twist 1948 and A Passage to India 1984 From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean's ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work Beyond the Epic is a vital assessment of a great director's artistic process and his place in the film industry **Catalog of Copyright Entries.
