naturally rhythmic poems charged with pure emotion Blessed with a gift for alliteration and cadence Parris uses simple
everyday words to convey the most intimate and horrifying details of his life Parris does not seek exposure nor notoriety for

metaphysical concepts into his poems frequently traveling through time space and other dimensions as he explores the
mysterious universe within his mind In these respects his poems can touch upon ancient nerves for we are all to some degree
or another just fellow travelers in time journeying through life seeking solace and awaiting final destinations Into this
abstract poetic tapestry Parris weaves his observations on life death religion and politics Come along and take a journey
