Racism Albert J. Wheeler,2005 Of all mankind's vices, racism is one of the most pervasive and stubborn. Success in overcoming racism has been achieved from time to time, but victories have been limited thus far because mankind has focused on personal economic gain or power grabs, ignoring generosity of the soul. This bibliography brings together the literature.

3500 Days of Summer Greg Hannah,2011-05-01 3500 Days of Summer is an enticingly addictive read. In the same vein as *The Devil Wears Prada* or *The Nanny Diaries*, 3500 Days of Summer is a blistering kiss-and-tell about the international resort industry. You'll be amazed at the dysfunctional lives of these people. A former nine-to-five investment banker, Hannah is literally thrown to the sharks for his first resort assignment in the Caribbean as a glorified bookkeeper for the resort's scuba team. Though Hannah is vastly over-educated for this job, he seems to take perverse

pleasure in the non stop abuse he suffers at the hands of sophisticated European travellers and staff In an enviroment where the average work schedule is sixteen hours seven days a week Hannah endures midnight rehearsals tyrannical resort managers and the amorous attentions of a never ending supply of beautiful women relentlessly throwing themselves at him 3500 Days does for resorts what Animal House did for higher education Chords and Stories Ron Swindall,2017-07-31 Ron Swindall looks back at a life spent teaching coaching playing music and enjoying the great outdoors An ordinary guy from Indian Creek near the little town of Pound Virginia he says there is no better place for him to call home It was a small town and he made lifelong friends there Most of his life has been spent in or around Wise County Virginia either in Pound Norton Wise or Powell Valley near Big Stone Gap Hes been fortunate to enjoy a successful marriage and he and his wife have three children Together they enjoy fishing camping and spending time outdoorsand he doesnt regret a single day In his memoir he traces his family ancestry as well as the history of the area his family has called home He also looks back at his thirty seven year tenure as a teacher with the Wise County Virginia school system He makes the case that we must all maintain and support the public education system which will help us move toward a brighter future and shares lessons learned over a well spent life in Chords and Stories *The Summer We Forgot* Caroline George,2022-03-08 Caroline George once again transports readers with lush evocative prose leading them to ask the question what happens when we can t even trust ourselves Some memories are better left forgotten Darby and Morgan haven t spoken for two years and their friend group has splintered But when the body of their former science teacher is found in the marsh where they attended camp that summer they realize they have more questions than answers and even fewer memories No one remembers or no one is talking The group of reunited friends suspects that a murderer is stalking the coastal highway 30A and they are desperate to recover their memories as quickly as possible before their history they can t remember repeats itself Everyone has a secret As tensions rise and time runs out Darby and Morgan begin to wonder if they can believe one another or if they can even trust themselves Young Adult suspense with romance Stand alone novel Book length 95 000 words Includes discussion questions for book clubs *We Got That Summer Love* Malina Green,2014-05-24 Sixteen year old Isabella Green and her family go to the beautiful California for summer vacation for her father s business trip Isabella was crushed that she doesn t get to spend the summer with her friends but soon everything changes not only does she have her eyes on the beautiful beaches and oceans but also on two hunks Paul Zimmer and Danny Edge her summer turns around for the best and worst A Summer Story LaQuita Propes,2013-09-30 A Summer Story is a tender and at times funny picture of the lives of a family with a special needs child the enduring care that requires patience and a consistent schedule and the aid of friends and family who come alongside to assist All of these factors make for a book that will bring tears and applause to the Propes family for their tenacity and constant faith in a loving Father God who cares for them Encouraging and inspiring this is one book that will remind you that we serve a faithful God who remains constant even in the face of difficult circumstances of life
