Summer Of Deceit Mystiques 60:

Wedding His Takeover Target Emilie Rose,2010-11-02 Nothing could stop Aspen resort heir Gavin Jarrod's land grab. Not even the ornery owner's insistence that Gavin marry his granddaughter to seal the deal. Gavin was up to the challenge of wedding perfect stranger Sabrina Taylor since this beautiful stranger was perfect. After a whirlwind seduction he had her wed and bedded to their mutual satisfaction. But what was this new groom to do once his bride announced she was pregnant with his child? It was back to the bargaining table because she wanted a real father for her baby or this merger was off.

Cold War women Helen Laville,2024-06-04 For too long American women have been hidden in the history of the Cold War. In Cold War women Helen Laville recovers their significance by examining the activities and ambitions of American women's organisations in the long period of uneasy peace. After the Second World War women around the globe claimed that to avoid more death and devastation in the Atomic Age they must promote internationalism and strive together for a peaceful future. However as the Cold War escalated American women abandoned the internationalist outlook of their foreign sisters in favour of solidarity with their national brothers. Far from being advocates of internationalism many of these women became active agents for Americanism. This fascinating study will be invaluable to those in the field of gender and women's history, cultural studies and American history *Media and Culture with 2013 Update* Richard Campbell,Christopher R.

Martin,Bettina Fabos,2012-02-20 Today's media landscape is changing faster than ever and students are experiencing these developments firsthand. Media Culture pulls back the curtain on the media and shows students what all these new trends and developments really mean, giving students the deeper insight and context they need to become informed media critics. The 2013 Update also includes the must-cover events and trends students need to know to become informed media consumers and critics from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp phone hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet-only newspapers.
