The Secret Public Jon Savage, 2025-02-04 *Rolling Stone* UK Best Music Books of the Year A monumental history of the gay influence on popular culture from the rise of Little Richard to the collapse of disco in 1979 award winning author Jon Savage takes us on a fast and captivating journey through the history of pop music as seen through the eyes of queer artists. Jon Savage the author of the canonical *England's Dreaming* explodes new ground in this electrifying history of pop music from 1955 through 1979. In demonstrating that gay and lesbian artists were responsible for many of the greatest cultural breakthroughs in the last half of the twentieth century he shows that it was their secretly encoded music appealing to a closeted but greatly oppressed public which led to the historic dismantling of discriminatory gay laws and the fusion of queer and straight culture. Fittingly Savage's kaleidoscopic work begins with the pomp and pompadour appearance of Little Richard whose relentlessly driving sound replete with gospel shrieks and sexual contortions enthralled a generation of 1950s stultified white teenagers. Things soon went mainstream as Elvis enthralled a nation with his seductive low moans and bump and grind twists heavily derivative of Black music while James Dean and Rock Hudson became the face of 1950s Hollywood yet this explosion of queer expression remained covert and could not be accepted for what it was. While music with

supporting roles from cinema and fashion became the key medium through which homosexuality could be clandestinely enacted overt expressions of gay behavior were met with arrests and crackdowns While hippies reveled in 1967 s Summer of Love gays remained harassed by police demonized by the media and politicians imprisoned simply for being who they were J Edgar Hoover himself a closeted homosexual continued to spy on homosexual deviants CBS s Mike Wallace aired an invidious show about homosexuality and the New York police continued to raid gay bars Yet the music itself produced a cultural eruption that simply could not be stanchd While Bette Midler sang Boogie Woogie Bugle Boys to a Continental Baths audience of 600 gay men all naked except for towels David Bowie blew the whole topic wide open and became the most totemic pop star of his generation Even though roadblocks remained the gear grinding crunch of the music signaled that the gay civil rights movement could no longer be suppressed Ending the narrative with the sudden collapse of disco The Secret Public asserts then that the genie was out of the bottle that queer culture had finally entered the mainstream producing a transcendent vision of pop culture that could never be marginalized again **Summer in Termuren** Louis Paul Boon,2006 It is the story of Ondine and Oscarke a young married couple adrift in a Belgian landscape that is darkening under the spread of industry **Return to Summer** Barbara Faith,1986 **Women's Scenes and Monologues** Joyce Devlin,1989 *Polly's Scheme* Corydon,1882 Unicorns Coloring Book Christy Shaffer,Caroline Shaffer,Coloring Books,2000-09-25 The mythical horse like creature with a single horn in the middle of its forehead is celebrated in this beautifully illustrated coloring book Thirty lovely illustrations show this fabulous animal carrying a young knight into battle posing with a beautiful maiden as sea serpents with fins and much more Descriptive captions
