prevail leading Rosetta to two suicide attempts the second of which is successful while Momina remains cynical and Mariella reacts with foolish indifference Clelia is powerless in the face of this tragedy and her despair makes her attempt to reconnect with the lost innocence of her childhood seem impossible This nostalgic longing forms the novel's central theme with the only positive moment emerging from her fleeting relationship with the working class Becuccio The other male characters are deliberately insignificant serving only to emphasize the pettiness and decay of the world of villas and high society gatherings The novel *Among Women Only* was later adapted into Michelangelo Antonioni's 1955 film *Le amiche* The Girlfriends

*New York Magazine*, 1979-09-03 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

[Movin on Up](#) Robert Gordon, Tom Burgoyne, 2005 *Movin On Up* takes a fun ride through the then and now of a great city and its ball club The city and its team have cooked up a partnership as strong and as strange as scrapple and toast over the past 121 years Since 1883 the Phillies have been on the move at times slowly many times glacially and sometimes quickly *Movin On Up* layers the present on the past by revisiting the places the Fightin' Phils once called their new home But *Movin On Up* is really about people past and present not only players but others who help and helped Philly move on up to the fabulous sports town we know today The journey rolls along humorous and poignant episodes old and new that have splashed Philly and its fan with the signature color that both fascinates and infuriates outsiders As this new millennium dashes toward the midpoint of its first decade Philly's Phillies have a new park a new team and a new attitude Well maybe the attitude isn't all that new as you'll read and see

[Send Them Summer](#) Hansford Martin, 1946 *Summer at World's End* Monica Dickens, 2011-09-28 Tom, Carrie, Em, and Michael are still living on their own at World's End In between wondering where the next meal will come from and trying to avoid interfering grown-ups they are never short of fun and excitement Carrie cannot stand to see an animal suffer and when she plunges into another rescue operation more perilous than any she has attempted before putting her and faithful dog Charlie into terrible danger things quickly spiral out of control Desperately the children struggle to save Charlie from a dreadful fate but it is a race against time *Summer at World's End* is the second adventure in *The World's End Series*

*Summer of Fire and Blood* Lyndal Roper, 2025-02-11 In this extraordinary and brilliant book Helen Castor, author of *She Wolves*, a prize-winning historian offers the definitive account of the sixteenth-century uprising that revolutionized Europe The German Peasants' War was the greatest popular uprising in Western Europe before the French Revolution In 1524 and 1525 it swept across Germany with astonishing speed as well over a hundred thousand people massed in armed bands to demand a new and more egalitarian order The peasants took control of vast areas of southern and middle Germany torching and plundering the monasteries, convents, and castles that stood in their way But they proved no

match for the forces of the lords who put down the revolt by slaying somewhere between seventy and a hundred thousand peasants in just over two months In *Summer of Fire and Blood* the first history of the German Peasants War in a generation historian Lyndal Roper exposes the far reaching ramifications of this rebellion Though the war s victors portrayed the uprising as naive and inchoate Roper reveals a mass movement that sought to make good on the radical potential of the Protestant Reformation By recovering what the people themselves felt and believed *Summer of Fire and Blood* reconstructs the thrilling tragic story of the peasants fight to change the world      **Canadian Book Review Annual** ,1994
