Summons To Faith And Renewal Christian Renewal In A Postchristian World:

Summons to Faith and Renewal Peter Williamson, Kevin Perrotta, 1983 **Three Keys to Spiritual Renewal** Clark H. Pinnock, 1998-03-03 **In God's Presence** J.I. Packer, 2000-03-07 James I Packer says of the devotional life To rush to God randomly babbling about what is on our mind at the moment with no pause to realize his greatness and grace and our own sinfulness and smallness is at once to dishonor him and to make shallow our own fellowship with him Dr Packer has taught generations of Christians how to know God better Now he helps us draw closer to God each day with insightful readings Focusing on what it means to be a part of the family of God these meditations will lead you into the Father's presence through Scripture prayer and practical wisdom **All Together in One Place** Harold D. Hunter, Peter D. Hocken, 2019-02-21 The global pentecostal charismatic movement as it launches into the twenty first century outdistances current attempts at classification and clarification Although scholarly theologizing has not been the hallmark of the movement the current surge of pentecostal charismatic scholars confounds the accepted antithesis between expressive narrative and reflective theology Brighton 91 which featured Professor Jurgen Moltmann and the Archbishop of Canterbury was a symposium unprecedented in the range of participating scholars drawn from six continents They gave voice to new insights for handling racism sexism socioeconomic oppression and the environment thus modeling a legitimate postmodern agenda **Christian Faith and Practice in the Modern World** Mark A. Noll, David F. Wells, 1988 **The Way of the (modern) World, Or, Why It's Tempting to Live as If God Doesn't Exist** Craig M. Gay, 1998 Does God really matter for today's Christians Craig Gay addresses this issue in his *The Way of the Modern World Or Why It's Tempting to Live As If God Doesn't Exist* Gay takes a critical look at the modern world and exposes the foundational worldview of contemporary secular society and the ideas that undergird modern culture Gay shows how for Christians one of the most seductive temptations fostered by these ideas is the temptation toward practical atheism living as if God does not matter Practical atheism has become so attractive that even some Christian churches have embraced it In *The Way of the Modern World* Gay describes in detail the far reaching consequences of practical atheism and what it will eventually mean for Christians Yet Gay is not without hope for today's Christians Arguing for the eviction of certain modern ideas from our churches he shows that there is a biblically sound way to live in but not of the world The Strategy of Willow Creek Community Church Gregory A. Pritchard, 1994 **Faith & Reason**, 1984 *The Charismatic Movement* Charles Edwin Jones, 1995 **The Best in Theology** James Innell Packer, 1986 *Christianity Today*, 1983 **Fidelity**, 1985 The Way of Truth in the Present Age Craig M. Gay, C. Pete Molloy, 1999 Postmodernity explains J I Packer is popularly equated with a denial that there is any such thing as universal public truth the idea being that there is only my truth and your truth that which is true for me and that which is true for you but there is no truth that is true for everybody In February of 1998 six Canadian Anglican scholars paused to consider the various challenges of postmodernism at a Western Theological Conference entitled *The Way of Truth in the Present Age*

sponsored by the Prayer Book Society of Canada and held at St John s Shaughnessy Church in Vancouver All six addressed the problems associated with affirming Christianity today in a culture that has become increasingly skeptical of all truth claims Although written within the context of the Anglican Communion and directed primarily to an Anglican audience the addresses have been published together in this volume as they concern matters that are of pressing relevance to all Christians today From publisher s description **Journal of the American Scientific Affiliation** American Scientific Affiliation,1986 *Evangelical Review of Theology* ,1986 A digest of articles and book reviews selected from publications worldwide for an international readership interpreting the Christian faith for contemporary living verso of cover v 3 no 1

New Oxford Review ,1983 Remnant Christianity in a Post-Christian World W. Paul Jones,2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

Arts & Humanities Citation Index ,1986 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals **Christianity in Conflict** Peter Williamson,Kevin Perrotta,1986 **Religion Index Two** ,1985
