understand the story each name carries These names are not just labels they are carriers of tradition emotion and identity We also believe that there s nothing wrong with wanting your child to have a name that stands out A name can be a quiet whisper of uniqueness a gentle mark of individuality in a crowd Originality in naming is not about being odd it s about being authentic And authenticity requires attention care and yes sometimes a little extra research That s why this book goes beyond the usual and brings you a carefully curated blend of both classic and contemporary Hindu baby names
