Where the Sun Never Shines Priscilla Long, 1989      *Long Steel Rail* Norm Cohen, 2000 Impeccable scholarship and lavish illustration mark this landmark study of American railroad folksong Norm Cohen provides a sweeping discussion of the human aspects of railroad history railroad folklore and the evolution of the American folksong The heart of the book is a detailed analysis of eighty five songs from John Henry and The Wabash Cannonball to Hell Bound Train and Casey Jones with their music sources history variations and discographies A substantial new introduction updates this edition      *Experienced Expressions* Frances Sanchez, 2010-04-14 In this book Frances Sanchez tells a dominant story in a poetic form of ones ability to go from failure to achievements and destruction to restoration Each story reflects the personal she is in hopes of being someone elses voice motivation or even just their way of finding closure As you read *Experienced Expressions* you must open up your mind as well as your heart for it is said that the one who reads with passion recognition will appreciate it most This is a magnificent book of encouraging testimonies from one runner to another striving to win the races in life It is also a touching presentation of the strength it takes to go through some tramatic journeys the patience to get through them the courage to relive it all in order to manifest guidance to those in similar situations The most important message that Frances wants every reader to know is that you can you will make it Sometimes what once seemed impossible was infact possible the whole time but it wasnt until we opened our eyes that we would see it Inclusion Frances anticipates that you will be left with a revolutionary experience that will leave you will an eye opening expression by the end of this book May you enjoy
