**Sun Dancing** Geoffrey Moorhouse,1997 A fictionalized history of fourth century Irish monks describes their spirituality and their influence on other areas of the world      *Sun Dancing* Geoffrey Moorhouse,1999 Part 1 is a fictionalized history of fourth century Irish monks describing their spirituality and their influence on other areas of the world Part 2 is a historical treatment of Irish monasticism      **Sun Dancing** Geoffrey Moorhouse,2009 This book tells the story of Skellig Michael one of two great rocks which rise out of the Atlantic 8 miles from Kerry For 600 years it accommodated a monastery Now it is a place of mystery with considerable historical significance      **Resources for Preaching and Worship-Year A** Hannah Ward,Jennifer Wild,2004-01-01 This is the third volume published in a three volume set of lectionary resources providing preachers and worship leaders of all denominations a host of written material for worship and reflection Designed to complement the three volumes in WJK's acclaimed *Texts for Preaching* this book weaves together a rich tapestry of quotations meditations poems and prayers With material from both classic and contemporary spiritual writings *Resources for Preaching and Worship* complements the lectionary readings for Sundays and important festival days in the church's year Biblical and thematic indexes are included      *Path of the Purified Heart* Laura Dunham,2012-02-01 *Path of the Purified Heart* traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification      *The Lost Art of Silence* Sarah Anderson,2023-12-05 A unique celebration of silence in art literature nature and spirituality and an exploration of its ability to bring inner peace widen our perspectives and inspire the human spirit in spite of the noise of contemporary life Silence is habitually overlooked after all throughout our lives it has to compete with the cacophony of the outside world and our near constant interior dialogue that judges analyzes compares and questions But if we can get past this barrage there lies a quiet place that's well worth discovering *The Lost Art of Silence* encourages us to embrace this pursuit and allow the warm light of silence to glow Invoking the wisdom of many of the greatest writers thinkers contemplatives historians musicians and artists Sarah Anderson reveals the sublime nature of quiet that's all too often undervalued Throughout she shares her own penetrating insights into the potential for silence to transform us This celebration of silence invites us to widen our perspective and shows its power to inspire the human spirit in spite of the distracting noise of contemporary life      *Beacons in the Landscape* Ian Brown,2009-07-20 Of all Britain's great archaeological monuments the Iron Age hillforts have arguably had the most profound impact on the landscape if only because there are so many yet we know very little about them Were they recognised as being something special by those who created them or is the hillfort purely an archaeologists construct How were they

constructed who lived in them and to what uses were they put This book which is richly illustrated with photography of sites throughout England and Wales addresses these and many other questions After discussing the difficult issue of definition and the great excavations on which our knowledge is based Ian Brown investigates in turn hillforts origins their architecture and the role they played in Iron Age society He also discusses the latest theories about their location social significance and chronology The book provides a valuable synthesis of the rich vein of research carried out in Britain on hillforts over the last thirty years Hillforts great variability poses many problems and this book should help guide both the specialist and non specialist alike though the complex literature Furthermore it has an important conservation objective Land use in the modern era has not been kind to these monuments with a significant number either disfigured or lost Public consciousness of their importance needs raising if their management is to be improved and their future assured Ringleaders of Redemption Kathryn Dickason,2021 In popular thought Christianity is often figured as being opposed to dance Throughout the medieval era the Latin Church denounced and prohibited dancing often aligning it with demonic intervention lust pride and sacrilege However Ringleaders of Redemption reveals how the historical sources including biblical commentaries sermons saints lives ecclesiastical statutes mystical treatises vernacular literature and iconography from France Italy Germany England Spain and beyond tell a different story During the High and Late Middle Ages Western theologians liturgists and mystics not only tolerated dance they transformed it into a dynamic component of religious thought and practice *Celtic Saints of Ireland* Elizabeth Rees,2013-05-01 Most books about Celtic saints are based on their legendary medieval lives This book however is based upon our earliest surviving information an examination of the sites where these early Christians lived and worked Archaeology combined with the study of place names inscribed stones and early texts offers us important clues which help us to piece together something of the fascinating world of early Irish Christianity Elizabeth Rees an acknowledged authority on Celtic Christianity has produced this insightful history which is the first in an exciting new series Illustrated throughout with her own evocative photographs of where these saints resided and worked the reader is drawn into the beautiful world which these men and women inhabited *Rainsongs* Sue Hubbard,2018-09-04 A grieving woman finds solace in the rugged beauty of Ireland s Atlantic coast in this elegiac tale of loss and valediction Guardian UK Newly widowed Martha Cassidy has returned to a remote cottage in a nearly abandoned village on the west coast of Ireland There she reflects on another loss in her life that of her ten year old son Bruno who met an untimely death twenty years earlier Alone on the windswept headland Martha searches for a way forward beyond grief But she finds herself drawn into a standoff between the successful hotel developer Eugene Riordan and an elderly local hill farmer Paddy O Connell As the crisis between these men escalates and Paddy suspiciously ends up in the hospital Martha encounters Colm a talented but much younger musician and poet roughly the same age that Bruno would have been if he d lived Caught between her history and future and that of a rapidly changing Ireland Martha is beset with choices that will alter her life forever In in richly poetic language Rainsongs conjures the remote

Irish coastline as well as the inner landscapes of its characters It moves effortlessly between the lives of people and the life of the terrain between the forces that shape character and those that shape the world      The Globalization of God Dara Molloy,2015-11-10 Roman Catholicism was the first multinational corporation Preaching was the forerunner of advertising Roman Catholicism created the template for the spread of commercial globalisation through multinational corporations For global Christianity to succeed all local expressions of Christianity had to be suppressed These included Celtic Christianity For 800 years the Roman church tried to break the independent spirit of Celtic Christianity Despite being defeated in 1014 at the Battle of Clontarf the Irish Vikings through their urban bishops were key actors in the imposition of Roman episcopal structures of church throughout Ireland in the 12th century There was an invasion of Norman monks to Ireland which began in 1142 twenty five years before the military invasion in 1167 The ecclesiastical colonisation of Ireland meant that a Roman episcopal and diocesan structure replaced the Celtic monastic structure Norman colonisers destroyed Celtic monasteries and replaced them with imported European religious orders Cistercian monasteries in Ireland were required to have French abbots and sometimes these were imposed by force no Irishman was allowed to become a bishop or attain any ecclesiastical high office St Malachy of Armagh betrayed his own Celtic heritage and was a key figure in bringing about the ecclesiastical colonisation of Ireland Monotheism is the mythical container for globalization Humans will fail to return to a sustainable way of living on this planet until the mythological container of monotheism is replaced by new bioregional spiritualities that go beyond both monotheism and polytheism      **The Sister Fidelma Mysteries** Edward J. Rielly,David Robert Wooten,2012-08-09 This is a collection of new essays on Peter Tremayne s Sister Fidelma novels which feature Sister Fidelma s attempts to solve a wide range of crimes often murders that occur under especially mysterious conditions The novels set mainly in 7th century Ireland also include a great deal of history which is not surprising given that the author is actually Peter Berresford Ellis a noted Celtic historian Some of the essays analyze aspects of the novels focusing especially on the protagonist and her partner in detection and ultimately husband Brother Eadulf Other essays place Fidelma and the novels within the tradition of detective fiction Still others explore the historical intellectual spiritual and geographical contexts for her labors Also included are accounts of the author s career the International Sister Fidelma Society and the biennial Sister Fidelma conferences held in Cashel Ireland      *The Fall of the Kingdom of Northumbria* Dr. Clifton Wilcox,2014-12-05 The Battle of Dunnichen is significant since it marked the turning point in the history of the Picts and marked their independence from the Kingdom of Northumbria Not only is this possibly the best documented event in the history of the Picts but it also allowed them to overthrow the Northumbrian rule and the dark shadow it cast over all northern peoples Without the leadership of King Bridei and his courageous followers Scotland as we know it may not have existed The battle also helped to define the Scottish English border that remains today a border that could have been pushed further north by the Northumbrians if they had not been stopped      Celtic Sites and Their Saints Elizabeth Rees,2003-02-10 Most

biographies of the Celtic saints are filled with legends and were written centuries after they lived But the places where they lived and worked generally in the more remote parts of their home or adopted countries can still be visited Their chapels and huts are often placed in beautiful landscapes sheltered valleys sacred springs peaceful lakeshores sea caves headlands and offshore islands Archaeology the study of sites and place names inscribed stones and early texts can bring us closer to how these men and women lived and to the unique ideals they held Elizabeth Rees using this archaeological and literary evidence has produced a guidebook to major sites in the British Isles where the Celtic saints lived and worked Brigid and Patrick in Ireland David in Wales Columba in Scotland and Aidan in Northumbria are among those who have left monasteries and hermitages chapels and holy wells dedicated to them The 250 sites examined here are listed alphabetically by area with some fifty described in Ireland Scotland Wales Cornwall and the rest of Britain Accurate descriptions are given with a history of each site directions how to find it and where relevant useful directions such as sailing times or where to find the key A final section gives an outline of the lives of the saints with whom these places are associated

**Julia of Bunnamairgie** Jessica Eden, 2021-01-12 The Black Nun of Bunnamairgie Friary Julia MacQuillan lived in the 15th and 16th centuries in Ballycastle Ireland known then as Margeytown due to the proximity of the Margie River She was called the black nun because of the color of the cloak habit that she wore The nun's story unfolds as a present day McQuillin Cathleen is searching for her family's history and travels to Ballycastle to find out more She comes across Julia's journal and the story of this beautiful young lass who is a mystic with prophetic visions The visions eventually have repercussions for her in Margeytown village Her benefactors Count Randall and Countess Mary MacDonald were historically long time foes of the MacQuillins but become her friends
