Massacre in the Clouds Kim A. Wagner,2024-05-07 In this forensic unflinching devastating work of historical recovery Sathnam Sanghera Bud Dajo an American atrocity bigger than Wounded Knee or My Lai yet today largely forgotten is revealed thanks to the rediscovery of a single photograph In March 1906 American soldiers on the island of Jolo in the southern Philippines surrounded and killed 1000 local men women and children known as Moros on top of an extinct volcano The so called Battle of Bud Dajo was hailed as a triumph over an implacable band of dangerous savages a brilliant feat of arms according to President Theodore Roosevelt Some contemporaries including W E B Du Bois and Mark Twain saw the massacre for what it was but they were the exception and the U S military authorities successfully managed to bury the story Despite the fact that the slaughter of Moros had been captured on camera the memory of the massacre soon disappeared from the historical record In **Massacre in the Clouds** Kim A Wagner meticulously recovers the history of a forgotten atrocity and the remarkable photograph that exposed its grim logic His vivid unsparing account of the massacre which claimed hundreds more lives than Wounded Knee and My Lai combined reveals the extent to which practices of colonial warfare and violence derived from European imperialism were fully embraced by Americans with catastrophic results **Under the Slaughterhouse** R.D. Amundson,2013-02-12 Photojournalist Joseph James is saved from the jaws of a grizzly by an old man in the mountains of Montana The man calls himself Truman Struck and he seems relieved to meet Joseph Truman has a story to tell and who better to tell than a journalist Back in Trumans cabin the story begins and Joseph can hardly believe what he hears As a young man Truman was sentenced to a Montana prison for driving under the influence Because of his background in science he is chosen to assist GED teacher Laura Whitherby He enjoys working with Laura but he is haunted both by strange dreams and by a building outside his barred window that used to be a slaughterhouse Soon with the help of Native American inmate Medicine Horse Truman learns of an ancient prophecy that involves a link between Laura and himself Their ancestral histories intertwine and together they have been chosen to fight a dark force known as I LIVE that hides beneath the nearby mountain Supernatural foes stand in their way though as the Dark One seeks Trumans death How can two mere humans battle monsters of the spirit realm The Prophecy holds the key and journalist Joseph James is about to learn the true power of darkness **American Massacre** Sally Denton,2007-12-18 In September 1857 a wagon train passing through

Utah laden with gold was attacked Approximately 140 people were slaughtered only 17 children under the age of eight were spared This incident in an open field called Mountain Meadows has ever since been the focus of passionate debate Is it possible that official Mormon dignitaries were responsible for the massacre In her riveting book Sally Denton makes a fiercely convincing argument that they were The author herself of Mormon descent first traces the extraordinary emergence of the Mormons and the little known nineteenth century intrigues and tensions between their leaders and the U S government fueled by the Mormons zealotry and exclusionary practices We see how by 1857 they were unique as a religious group in ruling an entire American territory Utah and commanding their own exclusive government and army Denton makes clear that in the immediate aftermath of the massacre the church began placing the blame on a discredited Mormon John D Lee and on various Native Americans She cites contemporaneous records and newly discovered documents to support her argument that in fact the Mormon leader Brigham Young bore significant responsibility that Young impelled by the church s financial crises facing increasingly intense scrutiny and condemnation by the federal government incited the crime by both word and deed Finally Denton explains how the rapidly expanding and enormously rich Mormon church of today still struggles to absolve itself of responsibility for what may well be an act of religious fanaticism unparalleled in the annals of American history American Massacre is totally absorbing in its narrative as it brings to life a tragic moment in our history
