Midnight Madness Cree Storm, 2016-11-04 Midnight has always struggled to understand why his parents would leave him alone and defenseless in the woods as a newborn Now a man insists he has the answers to what happened and a future planned for him beyond any reasonable man's dream Walking into the room and seeing six of the largest sexiest beast he had

ever laid eyes on and another cutie in the corner surprised and piqued Midnight's interest. Discovering the body of the man Law had always looked at as the father he never knew was a rough day. Finding out that the man was not who he said he was was even harder. Now he is told that the only way he can keep his home and help his people is if he mates with not only one of the sexy men sitting across from him but also a man he has fought and argued with since the day he arrived on the Refuge Ranch. Shaw didn't know what the hell fate was thinking asking him to mate with Law and a young man he had never laid eyes on before. He didn't know if he could do it. Even after being told that the fate of all shifters and paranormals depended on him doing just that. Then shots are fired and people are fighting for their very lives. Can Law, Shaw and Midnight come together as fate has deemed or will the shifter world cease to exist. **Which Lie Did I Tell?** William Goldman, 2013-12-18
