American Eccentric Cinema Kim Wilkins, 2019-02-21 Since the late 1990s a new language has emerged in film scholarship and criticism in response to the popularity of American directors such as Wes Anderson Charlie Kaufman and David O Russell Increasingly adjectives like quirky cute and smart are used to describe these American films with a focus on their ironic and sometimes deliberately comical stories character situations and tones Kim Wilkins argues that beyond the seemingly superficial descriptions American eccentric cinema presents a formal and thematic eccentricity that is distinct to the American context She distinguishes these films from mainstream Hollywood cinema as they exhibit irregularities in characterization tone and setting and deviate from established generic conventions Each chapter builds a case for this position through detailed film analyses and comparisons to earlier American traditions such as the New Hollywood cinema of the 1960s and 1970s American Eccentric Cinema promises to challenge the notion of irony in American contemporary cinema and questions the relationship of irony to a complex national and individual identity

Race on the QT Adilifu Nama,2015-04-15 Known for their violence and prolific profanity including free use of the n word the films of Quentin Tarantino like the director himself chronically blurt out in polite company what is extremely problematic even when deliberated in private Consequently there is an uncomfortable and often awkward frankness associated with virtually all of Tarantino s films particularly when it comes to race and blackness Yet beyond the debate over whether Tarantino is or is not racist is the fact that his films effectively articulate racial anxieties circulating in American society as they engage longstanding racial discourses and hint at emerging trends This radical racial politics always present in Tarantino s films but kept very much on the quiet is the subject of Race on the QT Adilifu Nama concisely deconstructs and reassembles the racial dynamics woven into *Reservoir Dogs* *True Romance* *Pulp Fiction* *Jackie Brown* *Kill Bill Vol 1* *Kill Bill Vol 2* *Death Proof* *Inglourious Basterds* and *Django Unchained* as they relate to historical and current racial issues in America Nama s eclectic fusion of cultural criticism and film analysis looks beyond the director s personal racial attitudes and focuses on what Tarantino s filmic body of work has said and is saying about race in America symbolically metaphorically literally impolitely cynically sarcastically crudely controversially and brilliantly
