Brown,2014-01-02 From disagreement

over an Islamic Center in New York to clashes between Christians and Muslims in Egypt tension between the three Abrahamic faiths often runs high Yet for all their differences these three traditions Judaism Islam and Christianity share much in common Three Testaments brings together for the first time the text of the Torah the New Testament and the Quran so that readers can explore for themselves the connections as well as the points of departure between the three faiths Notable religion scholars provide accessible introductions to each tradition and commentary from editor Brian Arthur Brown explores how the three faiths may draw similarities from the ancient Zoroastrian tradition This powerful book provides a much needed interfaith perspective on key sacred texts *The Jews of Denmark in the Holocaust* Silvia Tarabini Fracapane, 2020-12-29 Based on never previously explored personal accounts and archival documentation this book examines life and death in the Theresienstadt ghetto seen through the eyes of the Jewish victims from Denmark How was it in Theresienstadt Thus asked Johan Gr n rhetorically when he in July 1945 published a short text about his experiences The successful flight of the majority of Danish Jewry in October 1943 is a well known episode of the Holocaust but the experience of the 470 men women and children that were deported to the ghetto has seldom been the object of scholarly interest Providing an overview of the Judenaktion in Denmark and the subsequent deportations the book sheds light on the fate of those who were arrested Through a micro historical analysis of everyday life it describes various aspects of social and daily life in proximity to death In doing so the volume illuminates the diversity of individual situations and conveys the deportees perceptions and striving for survival and normality Offering a multi perspective and international approach that places the case of Denmark into the broader Jewish experience during the Holocaust this book is invaluable for researchers of Jewish studies Holocaust and genocide studies and the history of modern Denmark
