*Effective Leadership in Nigeria* Dr. Onyema G. Nkwocha,2012-01-04 *Effective Leadership In Nigeria* Practical Ways To Build an Effective Inspiring Transformational and Visionary Leadership and Governance in Nigeria is mostly based on the current apathetic and virtual lack of effective and visionary leadership situation in contemporary Nigeria and distills the golden gems principles processes procedures and practical applications inherent in effective inspiring visionary and enthusiastic leadership It attempts at instituting building and encouraging good effective and visionary leadership in the nation and that is currently virtually lacking From the outset the author makes it clear that this writing is not designed to model or fit any known leadership paradigm theory or management style Rather based on relevant research on leadership as it impacts the Nigerian situation the book attempts to

explore what it takes for there to be an effective and good leadership to successfully lead and change Nigeria for the better. The book is written and organized in a way that reflects and captures the contemporary experiences, frustrations, psychological emotions, aspirations and hopes of every Nigerian and perhaps of promising politicians and future leaders who are honestly touched by the virtual vacuum of real and effective leadership in the country, their concerns, questions, dreams and the expectations that have virtually gone unmet in the past more than half a century. Properly elucidating what leadership means and differentiating it from rulership, this book couldn't have come at a better time to assist Nigeria's leadership struggles. A masterpiece Dr Nkwocha has taken the current apathetic leadership lull and almost leadership void in the nation and set the leadership principles and processes on the cutting edge. The book is a definitive guide to anyone aspiring to the leadership of Nigeria and is therefore in search of meaningful leadership: its principles, processes and pragmatic applications. The book is a must read. *Final Fantasy XII: The Zodiac Age - Strategy Guide*
