Dykstra, Jo Ann Manfra, 2017-07-15 Raised on Gunsmoke Bat Masterson and The Life and Legend of Wyatt Earp we know what it means to get outta Dodge to make a hasty escape from a dangerous place like the Dodge City of Wild West lore But why of all the notorious violent cities of old did Dodge win this distinction And what does this tenacious cultural metaphor have to do with the real Dodge City In a book as much about the making of cultural myths as it is about Dodge City itself authors Robert Dykstra and Jo Ann Manfra take us back into the history of Dodge to trace the growth of the city and its legend side by side An exploration of murder statistics court cases and contemporary accounts reveals the historical Dodge to be neither as violent nor as lawless as legend has it but every bit as intriguing In a style that captures the charm and chicanery of

storytelling in the Old West Dodge City and the Birth of the Wild West finds a culprit in a local attorney Harry Gryden who fed sensational accounts to the national media during the so called Dodge City War of 1883 Once launched the legend leads the authors through the cultural landscape of twentieth century America as Dodge City became a useful metaphor in more and more television series and movies Meanwhile back in the actual Dodge struggling on a lost frontier a mirror image of the mythical city began to emerge as residents increasingly embraced tourism as an economic necessity Dodge City and the Birth of the Wild West maps a metaphor for belligerent individualism and social freedom through the cultural imagination from a historical starting point to its mythical reflection In this the book restores both the reality of Dodge and its legend to their rightful place in the continuum of American culture [Encyclopedia of Weird Westerns](#) Paul Green,2016-03-09 From automatons to zombies many elements of fantasy and science fiction have been cross pollinated with the Western movie genre In its second edition this encyclopedia of the Weird Western includes many new entries covering film television animation novels pulp fiction short stories comic books graphic novels and video and role playing games Categories include Weird Weird Menace Science Fiction Space Steampunk and Romance Westerns **Latin in Modern Fiction** Henryk Hoffmann,2021-07-06 The goal of this book is to prove that Latin is not a dead language by demonstrating how prevalent and strong it still is in modern Western culture In order to do so the author an English philologist with a long experience as a Latin educator catalogues explains and interprets Latin quotations and references in a multitude of twentieth and twenty first century literary works by primarily mainstream authors from Aldous Huxley to Saul Bellow to John Irving crime mystery writers from Raymond Chandler to Elizabeth George to Dennis Lehane and frontier western novelists from Emerson Hough to Larry McMurtry The three areas of fiction constituting the main scope of the book indicate the author s major interest and preference as well as the subject matter of his extensive research both prior and current the former related to his already published books The writers offering the most impressive contributions to the thesis are featured in the three parts of the main body those with lesser input are listed in the Appendix The prospective readers of the book include all Latin students and educators at the secondary and college levels worldwide **Canadian Bookman** ,1929 *The Cambridge History of the American Novel* Leonard Cassuto,2011-03-24 An authoritative and lively account of the development of the genre by leading experts in the field [Maggie Moves On](#) Lucy Score,2022-06-21 From the 1 New York Times bestselling author of Things We Left Behind comes a steamy small town romance between a straight laced house renovator and the sexy landscaper determined to break down her walls Can these opposites turn up the heat without burning down the house House flipping sensation and YouTube star Maggie Nichols can t wait to dig into her next challenge Arriving in tiny Kinship Idaho with only a cot and a coffeemaker Maggie is prepared to restore a crumbling Victorian mansion in four months or less She has her to do lists her blueprints and her team What she doesn t have is time for sexy laid back landscaper Silas Wright The man takes flirtation to a whole new level And he does it shirtless sometimes pants less He and his service school dropout dog

are impressively persistent But she's not interested in putting down roots Not when fans tune in to watch her travel the country turning dilapidated houses into dream homes A short term fling on the other hand could fit nicely into her calendar After all Maggie remembers what fun is like Vaguely As their summer gets downright steamy Silas manages to demolish the emotional walls she's spent years building sending Maggie into a panic He's the wrench in her carefully constructed plans With the end of the project looming she has a decision to make But how can she stay when her entire career is built on moving on
