Man, female companion arrested in 'Sunset Murders' investigation

LOS ANGELES (AP) — A man was arrested in connection with the so-called Sunset Murders of five young females whose bodies — some mutilated — were found in separate areas in June, police said Tuesday.

A woman acquaintance of the man also was arrested for investigation of a sixth slaying, of a 45-year-old man, that police believe is connected to the other killings.

Cmdr. William Booth said Douglas Daniel Clark, 32, was arrested and booked for investigation of murder. He was taken into custody at a Burbank company where he is employed as a boiler engineer. Police also arrested Carol Bundy, 37, a vocational nurse, at her Burbank home.

"We do believe the crimes are connected," Booth said.

Bundy, a licensed vocational nurse, is under investigation in the killing of John Robert Murray, 45, of Van Nuys, whose headless body was found in a van parked on a Van Nuys Street Aug. 9, police said.

Booth said evidence gathered during that investigation, linked with information gathered in the Sunset Murders case, led them to Clark.

Booth said each of the killings was committed with the use of a small caliber handgun. He refused to reveal what further evidence linked the cases, saying only that the Murray investigation "was very relevant" to the arrest of

Clark in connection with the other five slayings.

The Sunset Murders case is so named because the victims were known to have frequented the Sunset Strip in Hollywood.

The investigation began when the partially clad bodies of half-sisters Gina Morson, 15, and Cindy Chandler, 14, both of Huntington Beach, were found dumped next to the Ventura Freeway near Griffith Park June 12.

The headless body of Eddie Wilson, 30, of Little Rock, Ark., was found June 23 in Studio City and a box containing her head was discovered in a small wooden box in a Hollywood alley June 27.

The body of Karen Jones, 24, also of Little Rock, was found June 23 on a Burbank street.
