variety of perspectives making the volume multidisciplinary in nature Finally this volume accounts for the diversity of the research perspectives each chapter proposes by situating the plurality of terminological issues and methodologies into a more integrative framework Thus a coherent overall framework is created within which different research strands i e the sociocognitive sociolinguistic research composition work genre analysis and pedagogical practices developed on L1 and L2 writing can be situated and acquire meaning This volume will be of particular interest to researchers in the areas of language and literacy education in L1 and L2 applied linguists interested in school and academic contexts of writing teacher educators and graduate students working in the fields of L1 and L2 writing

Writing Queer Performance Le Gateau
Chocolat,Dickie Beau,Ray Young,Bourgeois & Maurice,Sh!t Theatre,Rosana Cade,Ivor MacAskill,David Hoyle,Vijay
Patel,2024-12-26 This anthology documents a decade of some of the UK s most exciting queer performance through a combination of retrospective scripts development material and visual documentation Queer performance is expected to live a brief bright life without leaving any textual record Indeed it rarely begins with a complete script at all being often developed instead by performance practices designed to fill noisy bars clinking cabaret venues and fringe theatres typically for short runs This lack of textual documentation underplays the importance of writing to contemporary queer performance while rendering it vulnerable to disappearance in the diaphanous archives of memory Writing Queer Performance Contemporary Texts and Documents features eight seminal works captured through performance texts and visual documentation that ensures their accessibility long after the event of live performance Supported by a contextualizing introduction the anthology provides a panoramic view of contemporary preoccupations processes and practices
